- Early Finishers
- Independent Work

# TEACHERS REVIEWS

"My students LOVE these centers! They get so excited to see the new set each month. I love this resource because the skills build on each other each month and allow me to challenge all levels of learners in my class."

"These math/literacy bundles are one of my go to resources for kindergarten. I use the activities during my centers/small group rotations and early finishers. Such a great time saver and students love the activities."

" I love these centers and use them year round changing my tubs each month with the new theme. By far the best centers you will find. So happy I found them!"

# WHY USE MAY CENTERS?

1. Provides you with **38 low prep** activities that you can easily add to your day. The different options included will allow you to **meet your students needs** and provide you with plenty of activities to keep students excited for more.

2. These centers are designed with **hands-on, engaging, and fun** activities that will make your students feel like they are playing games. With so many skill included, you will **feel confident** knowing that your students are practicing important skills for this time of year.

3. The **'I Can' posters** will allow for student independence which will give you more uninterrupted time to work in small groups or interventions. The **recording sheets** will quickly allow you to see your students understanding of the activity and skill.
