SPIDERS UNIT

What's included?

- LITERACY
- MATH
- WRITING
- READING
- ANCHOR CHARTS
- CRAFTS
- AND MORE!

SPIDERS UNIT AT-A-GLANCE

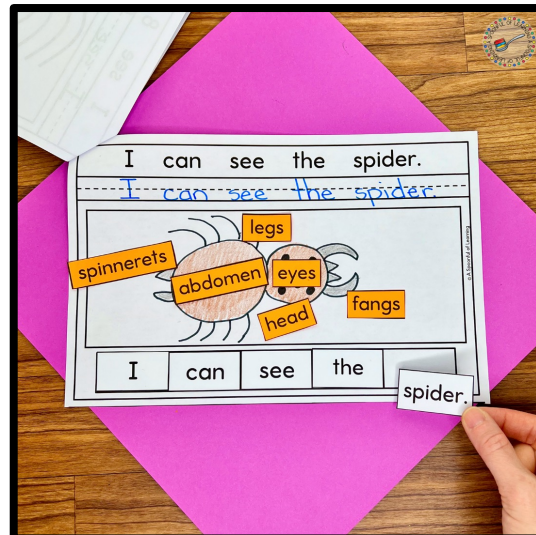

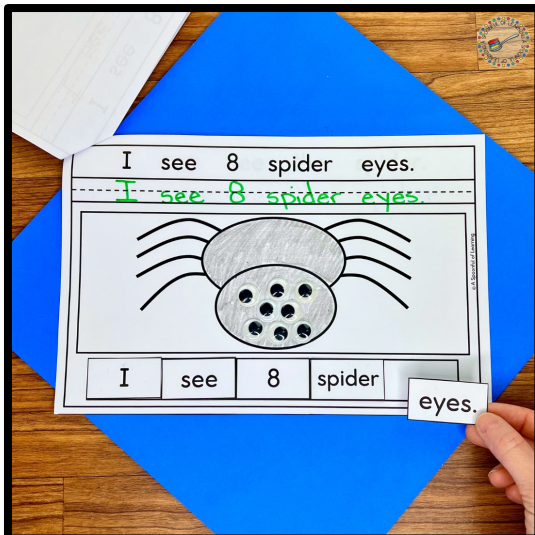

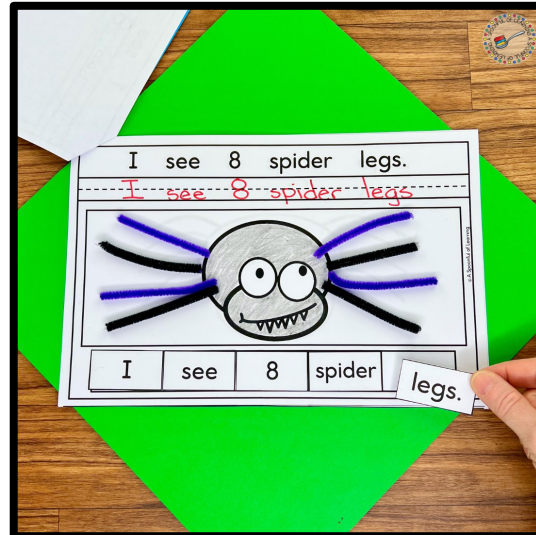

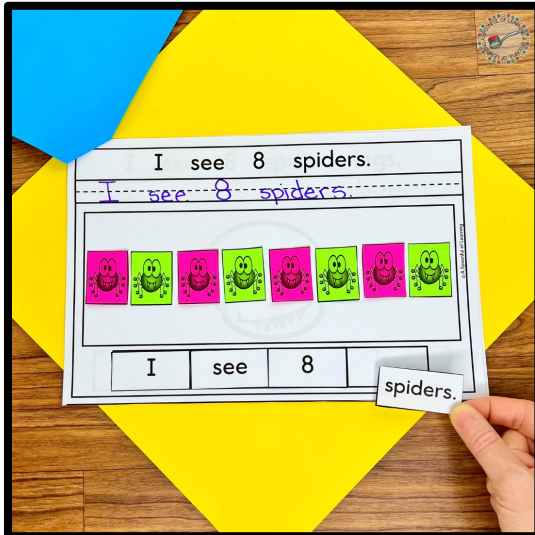

A 5-day plan that allows you to see how you can space out all of the activities that are included. I also share my favorite books for this unit.

SPIDERS UNIT

What's included?

INTERACTIVE SPIDER BOOK

Read short sentences about spiders, write the sentence, and unscramble the sentence to make it complete. Complete interactive activities about spiders on each page to go along with the sentences.

SPIDERS UNIT

What's included?

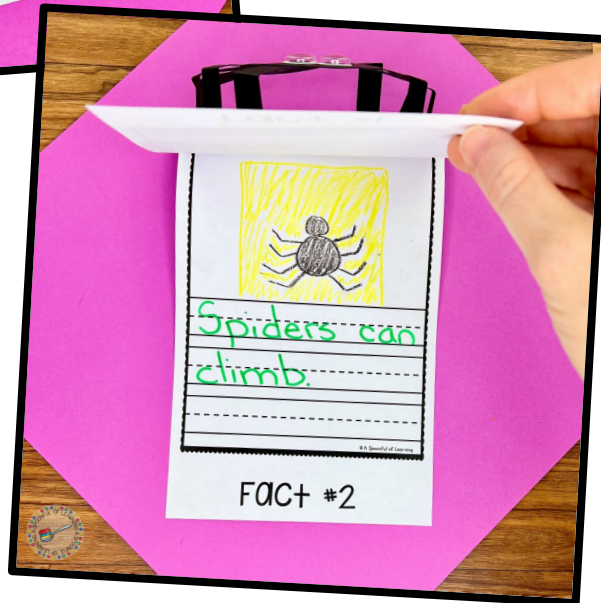

SPIDER ONE-TO-ONE CORRESPONDENCE

Practice one-to-one correspondence by matching numbers to the correct group of dots. Place them on an adorable spider craft!

SPIDERS UNIT

What's included?

SPIDER SCHEMA & FACTS CRAFT

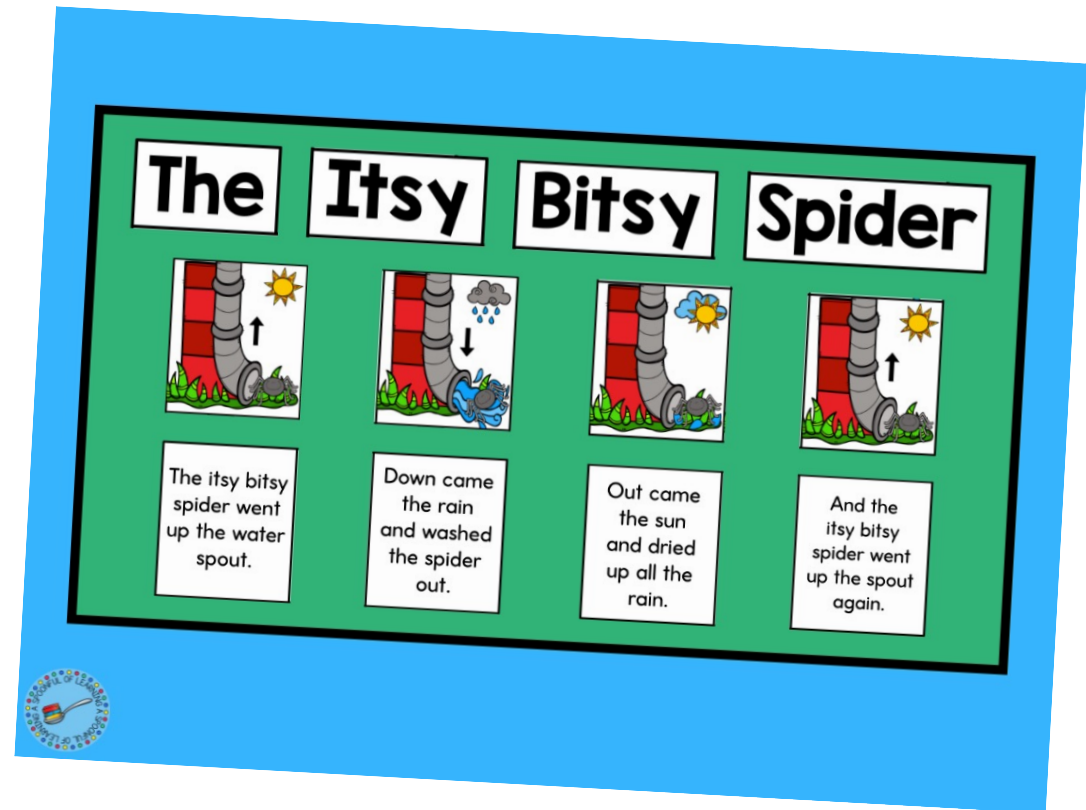

Show your schema about spiders and write 2 new facts you learned about spiders. Add a 3D spider to the cover of the flip book for some added fun!

SPIDERS UNIT

What's included?

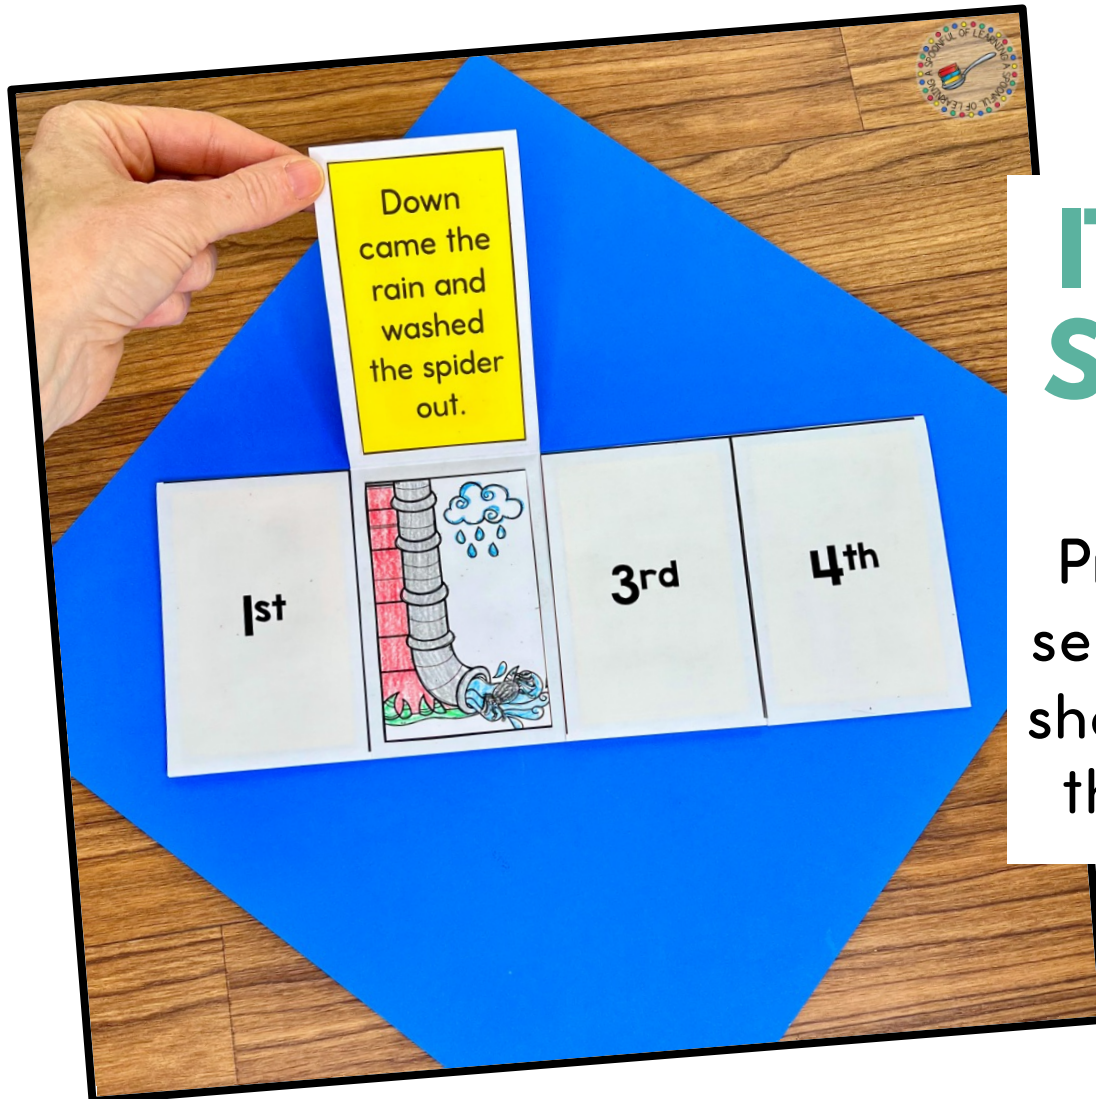

THE ITSY BITSY SPIDER SEQUENCING ANCHOR CHART

Work together as a class to sequence the rhyme. This is great story retelling practice.

SPIDERS UNIT

What's included?

ITSY BITSY SPIDER SEQUENCING FLIP BOOK

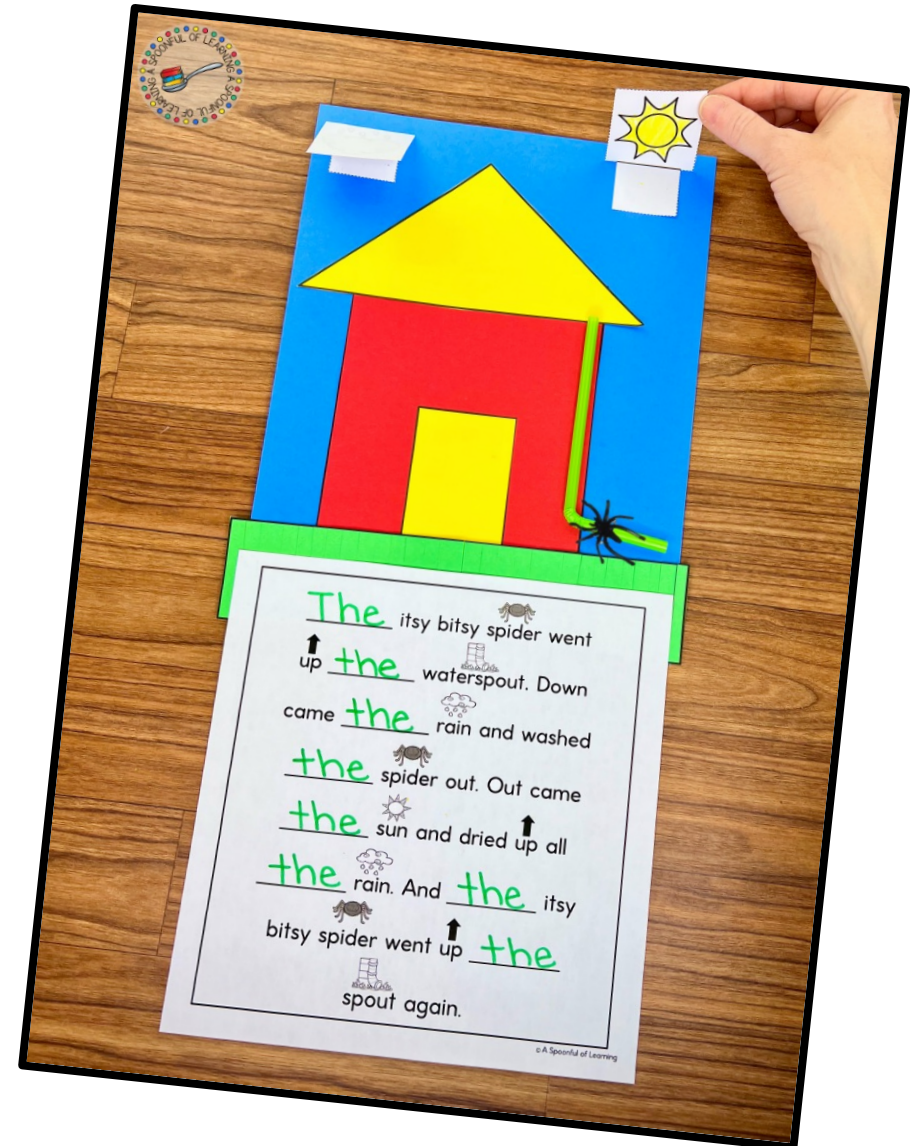

Practice story retelling with this sequencing flip book activity that shows the events of the story and the rhyme in the correct order.

SPIDERS UNIT

What's included?

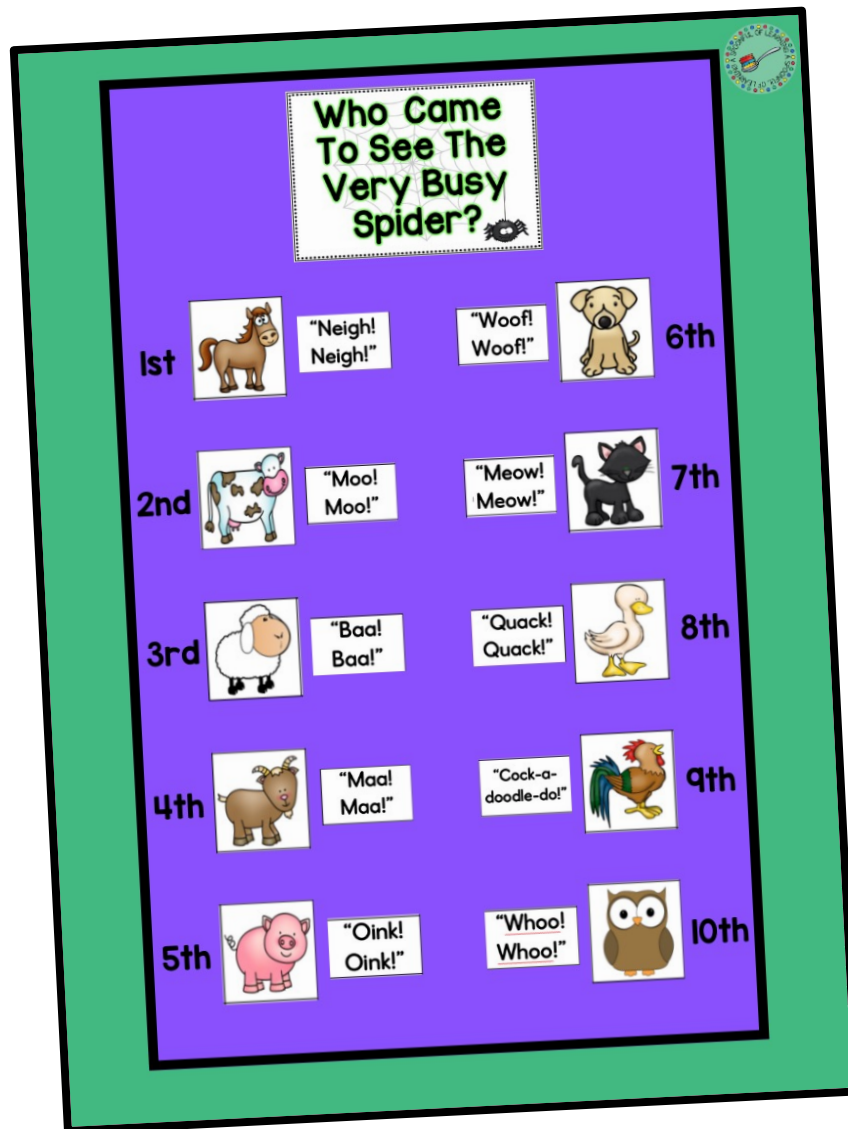

ITSY BITSY SPIDER RETELL CRAFT

Have fun creating an interactive craft that will allow you to retell the rhyme. Fill in the missing words, act out the rhyme with the spider, and retell the rhyme to friends and family.

SPIDERS UNIT

What's included?

STORY SEQUENCING ANCHOR CHART

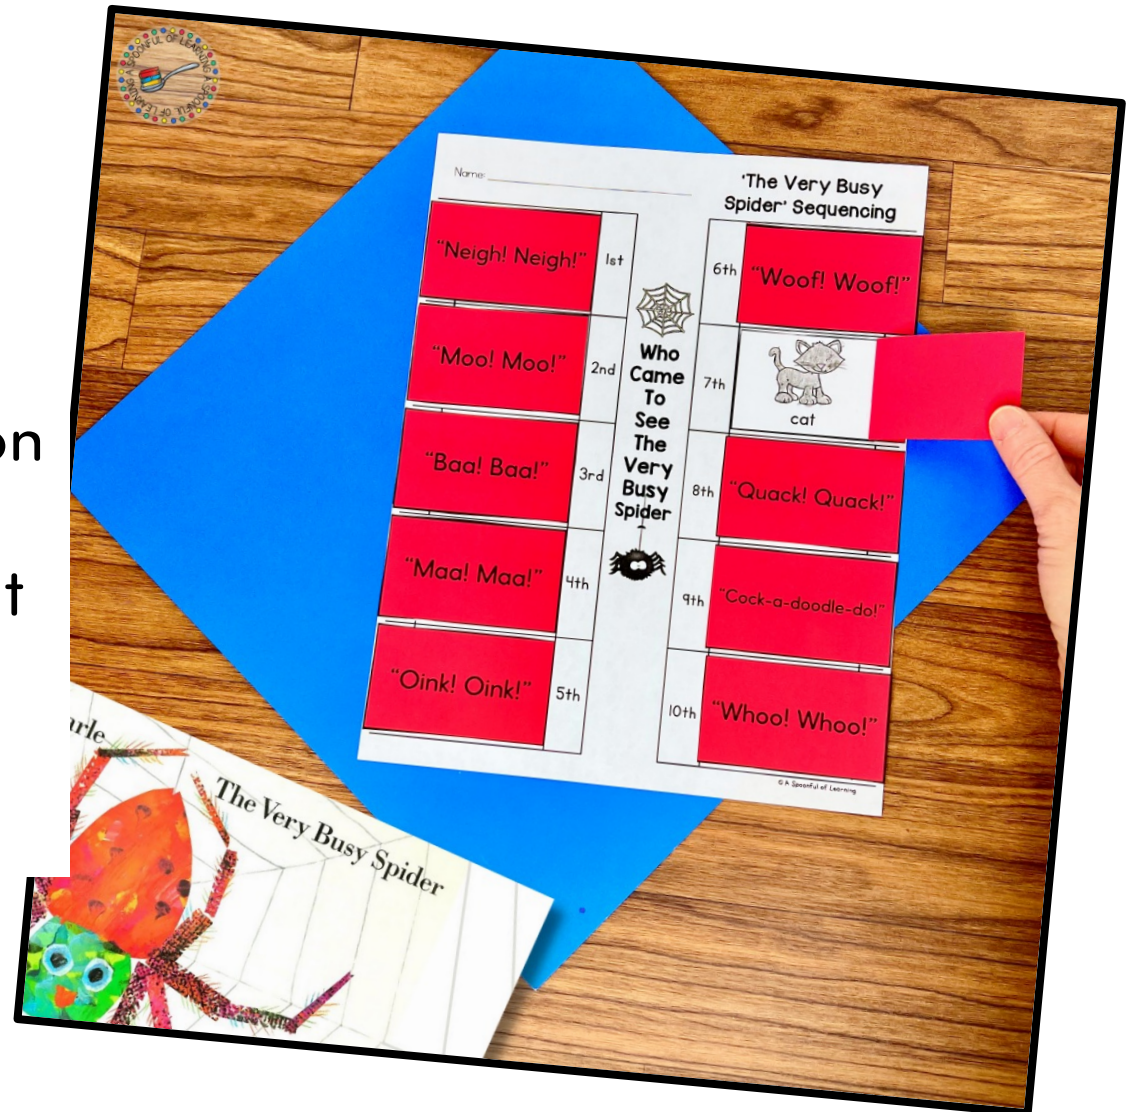

Work together as a class to sequence the story. This is great reading comprehension and story retelling practice.

SPIDERS UNIT

What's included?

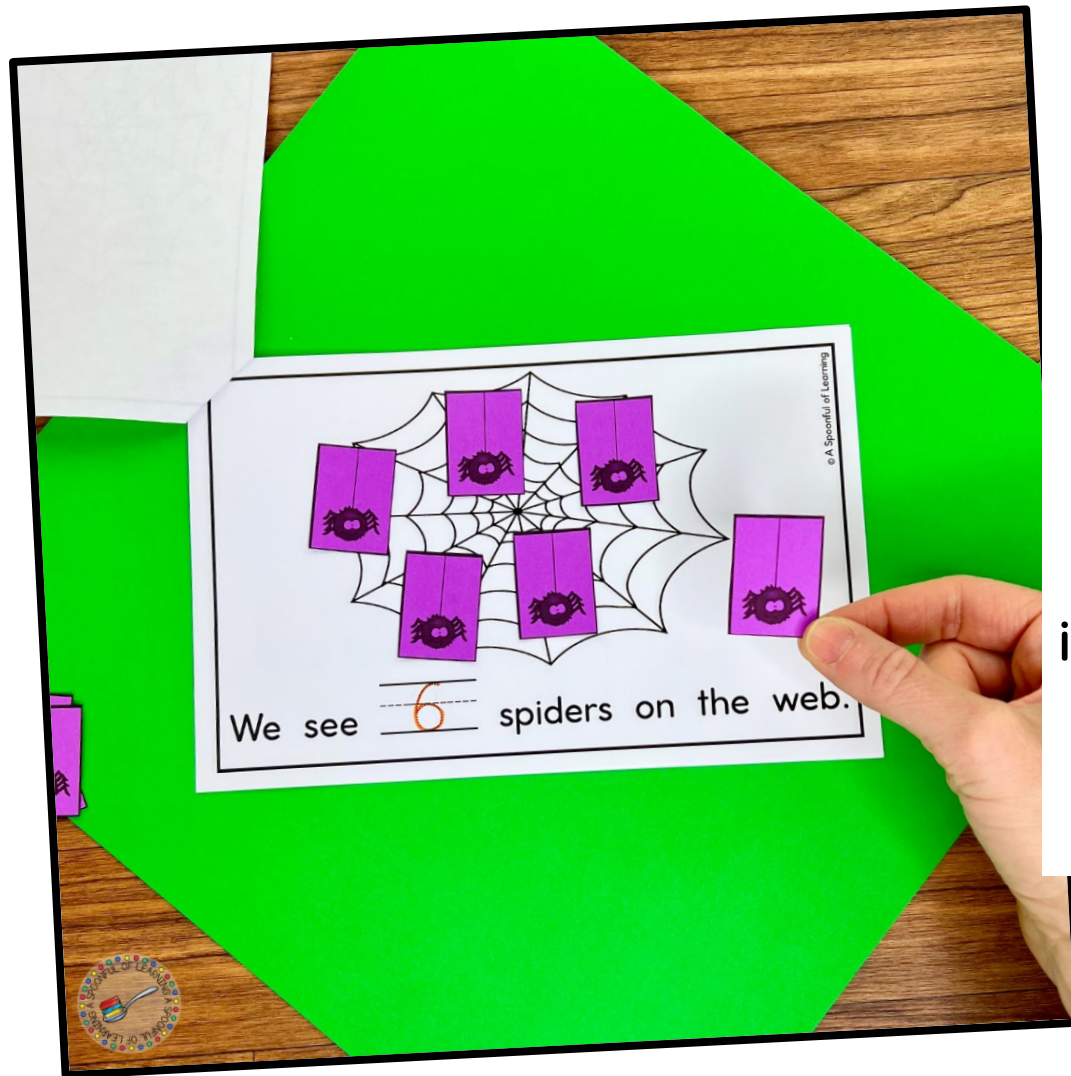

STORY SEQUENCING

Practice reading comprehension and story retelling with this sequencing flip up activity that shows the events of the story and the animal sounds in the correct order.

SPIDERS UNIT

What's included?

COUNTING SPIDERS READER

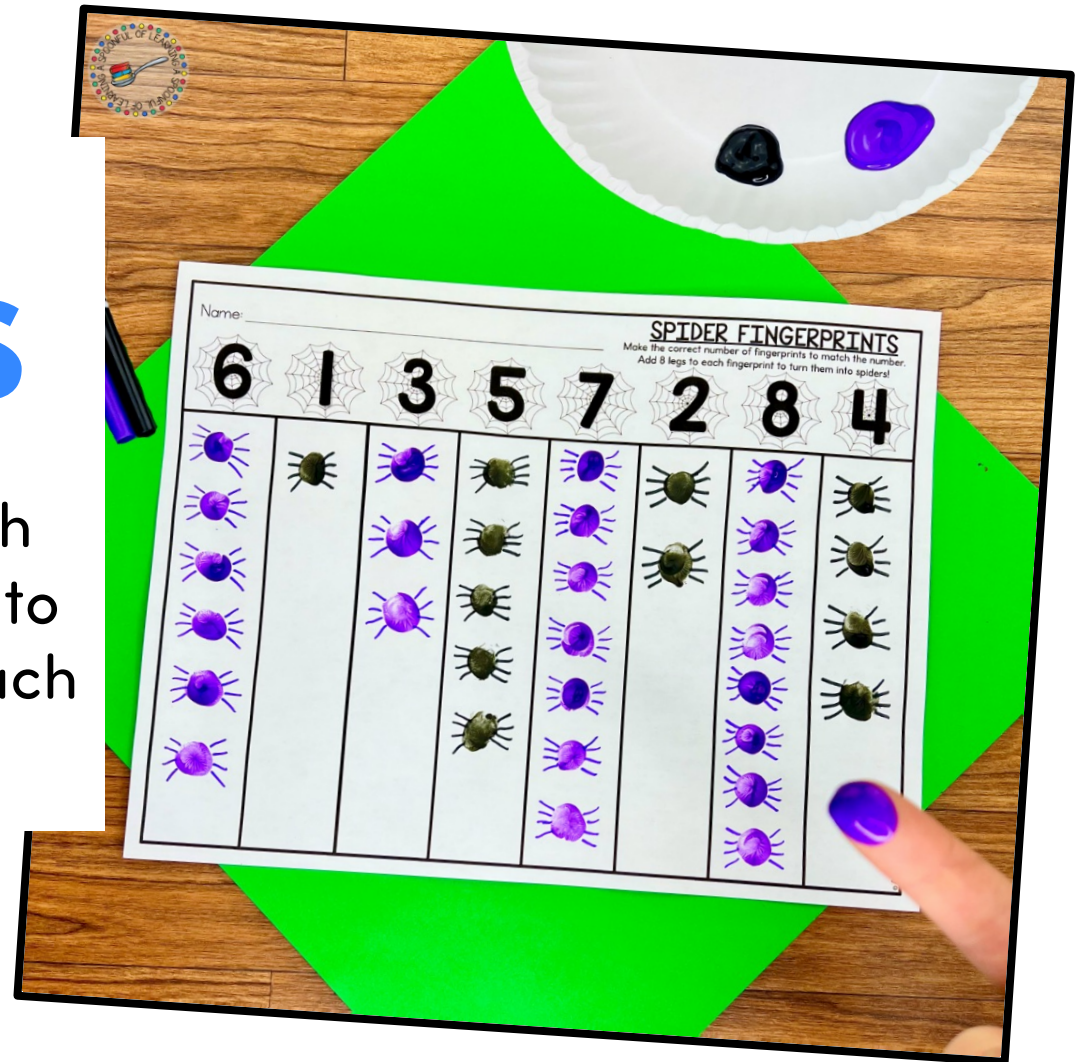

Practice counting and one-to-one correspondence with this interactive mini reader. Glue the correct number of spiders onto each page.

SPIDERS UNIT

What's included?

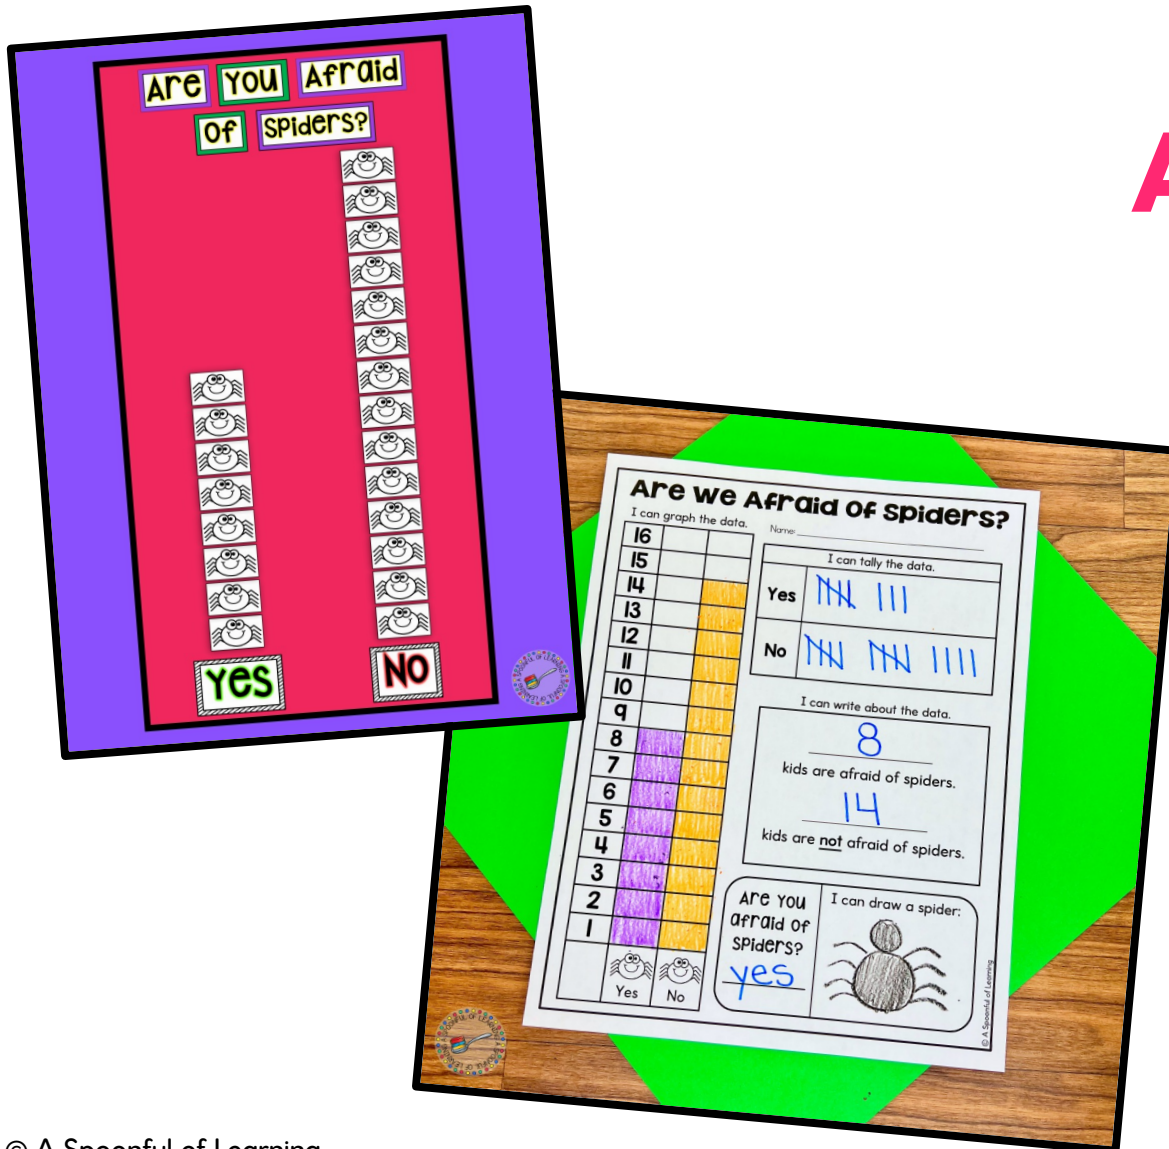

SPIDER FINGERPRINTS

Place the correct number of painted fingerprints under each number. Turn the fingerprints into spiders by adding 8 legs onto each fingerprint with markers.

SPIDERS UNIT

What's included?

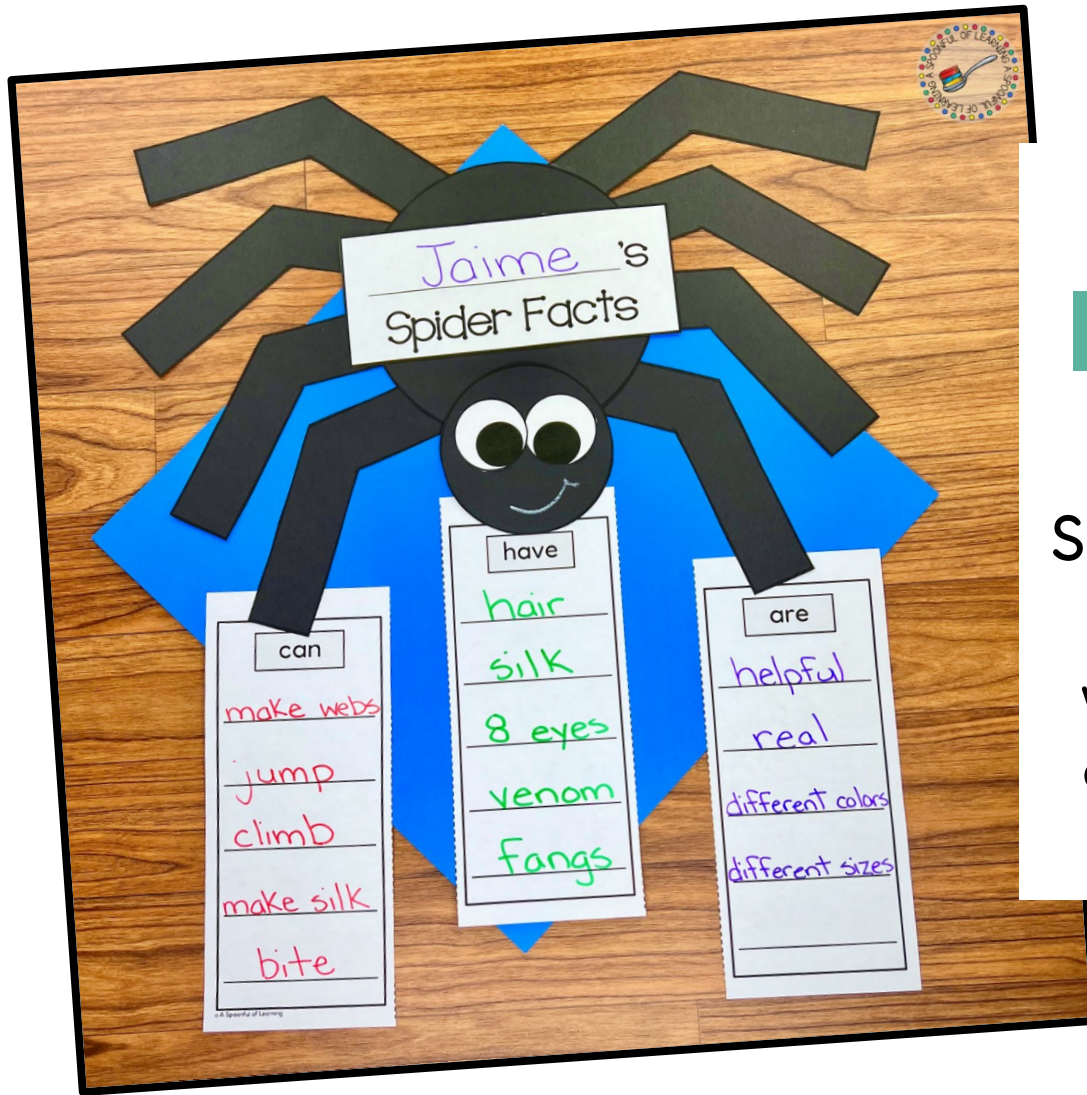

ARE YOU AFRAID OF SPIDERS? CLASS GRAPH

Create a class graph with each student showing if they are or are not afraid of spiders. Fill in the data sheet to show the results of the class graph.

SPIDERS UNIT

What's included?

SPIDERS INFORMATIONAL CRAFT

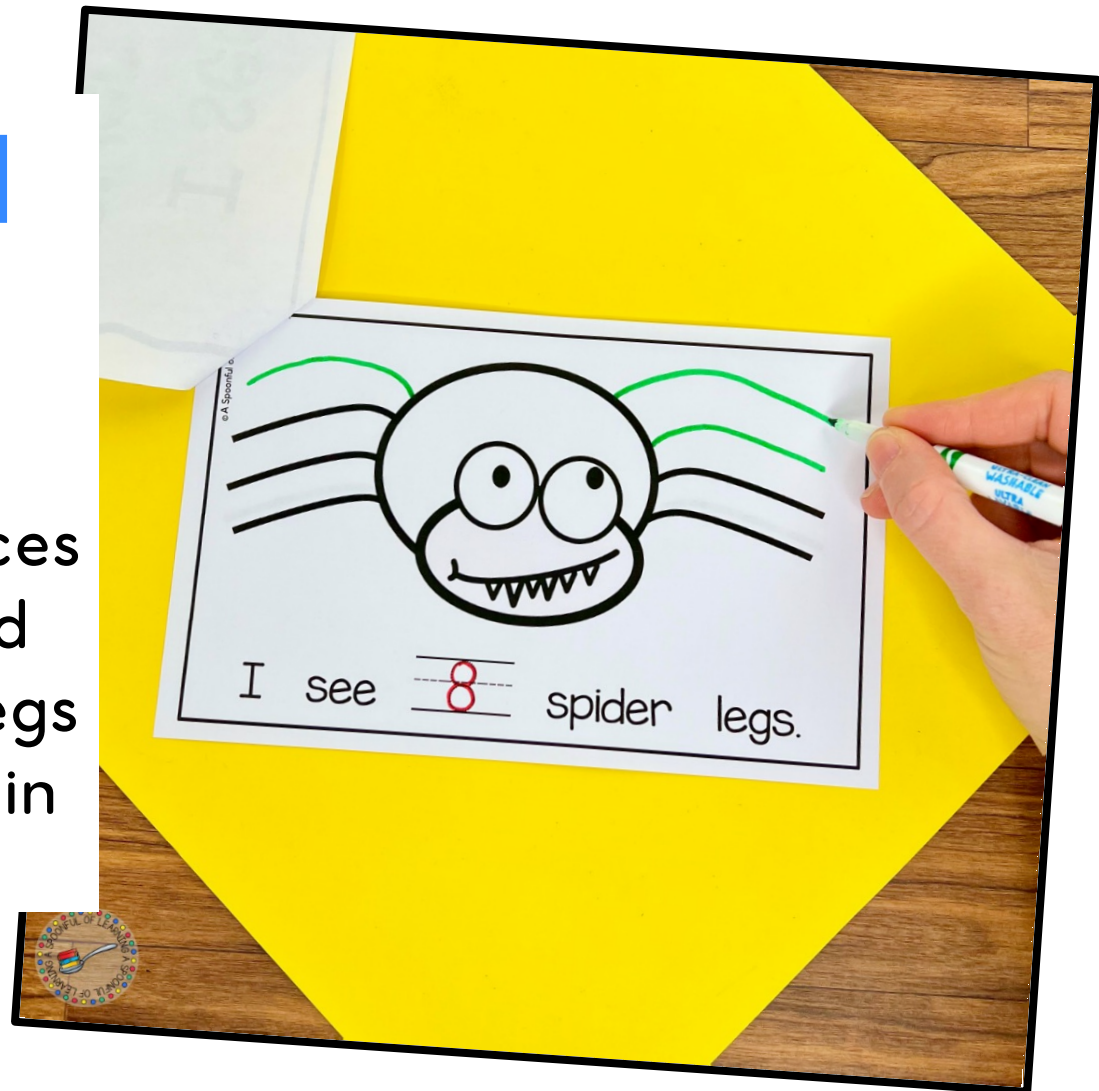

Show the new knowledge learned from spiders by writing about what spiders can do, have, and are. Display your writing with a fun spider craft.

SPIDERS UNIT

What's included?

COUNTING ON SPIDER LEGS READER

Read short repetitive sentences in this reader. Count on and add the correct number of legs to the spider to show 8 legs in all.

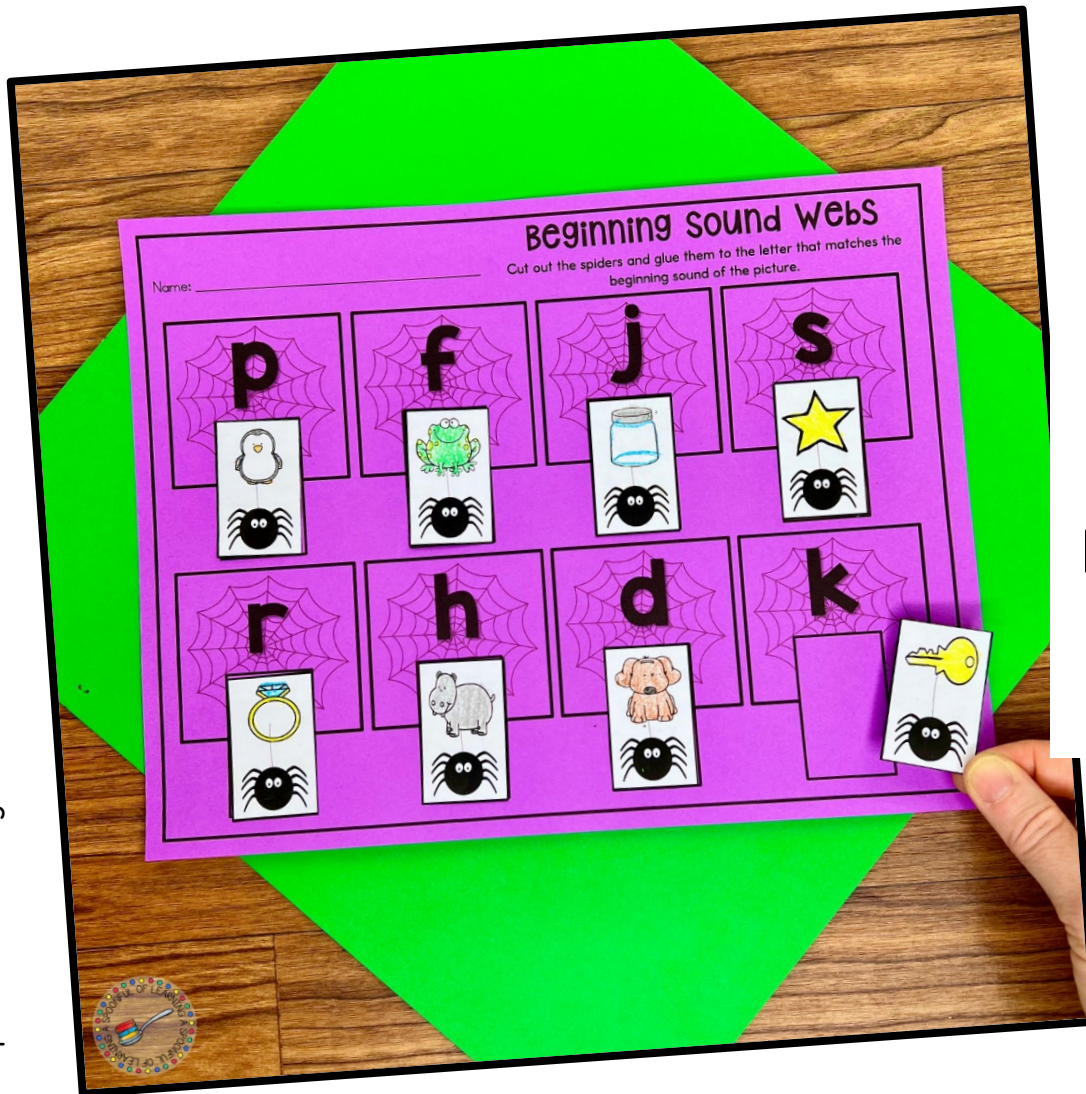

SPIDERS UNIT

What's included?

SPIDER BEGINNING SOUNDS

Match the picture to the letter that has the same beginning sound.

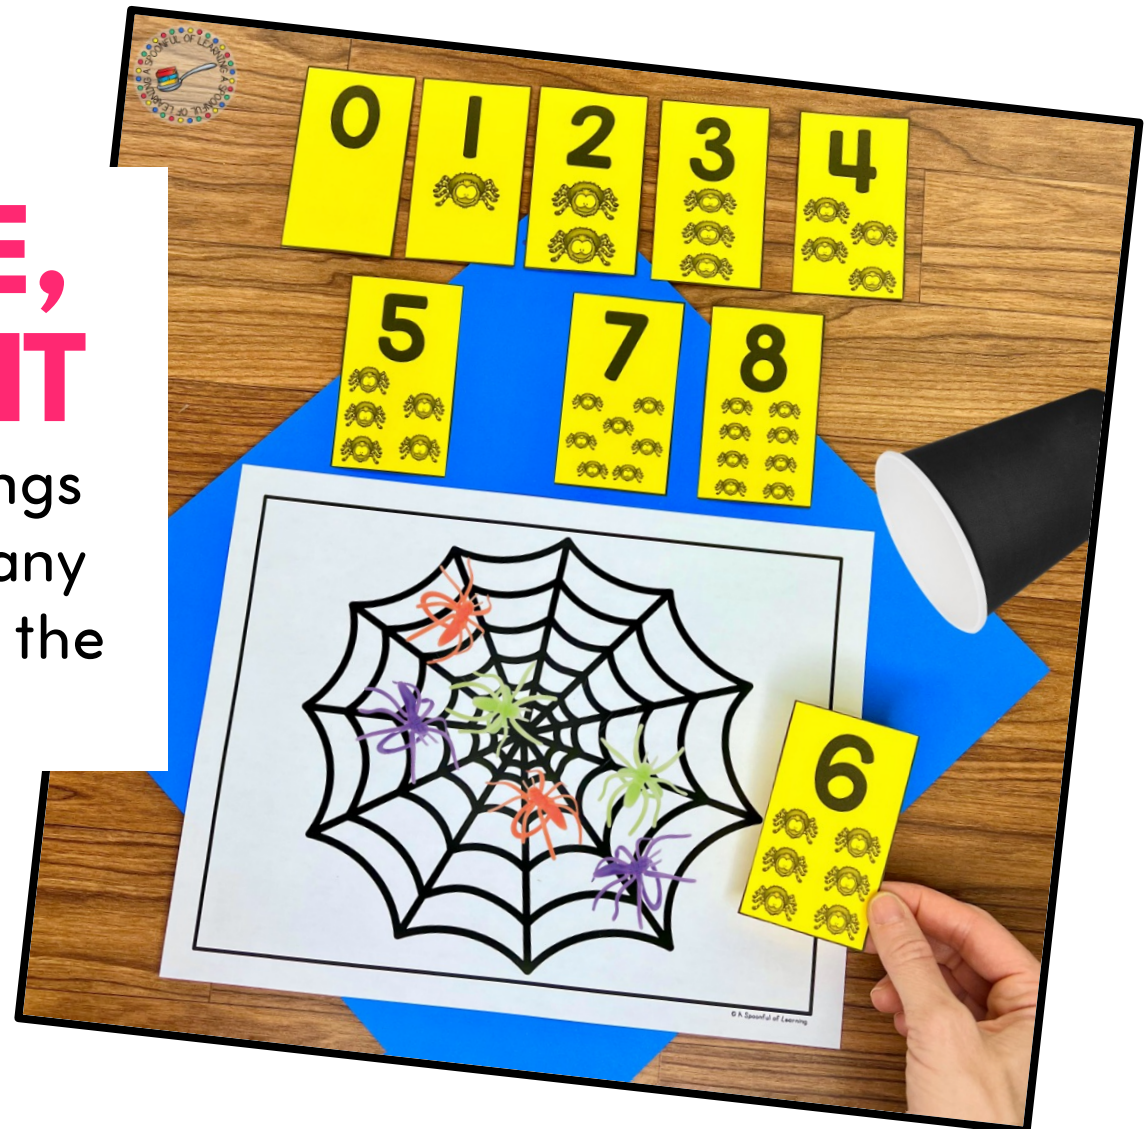

SPIDERS UNIT

What's included?

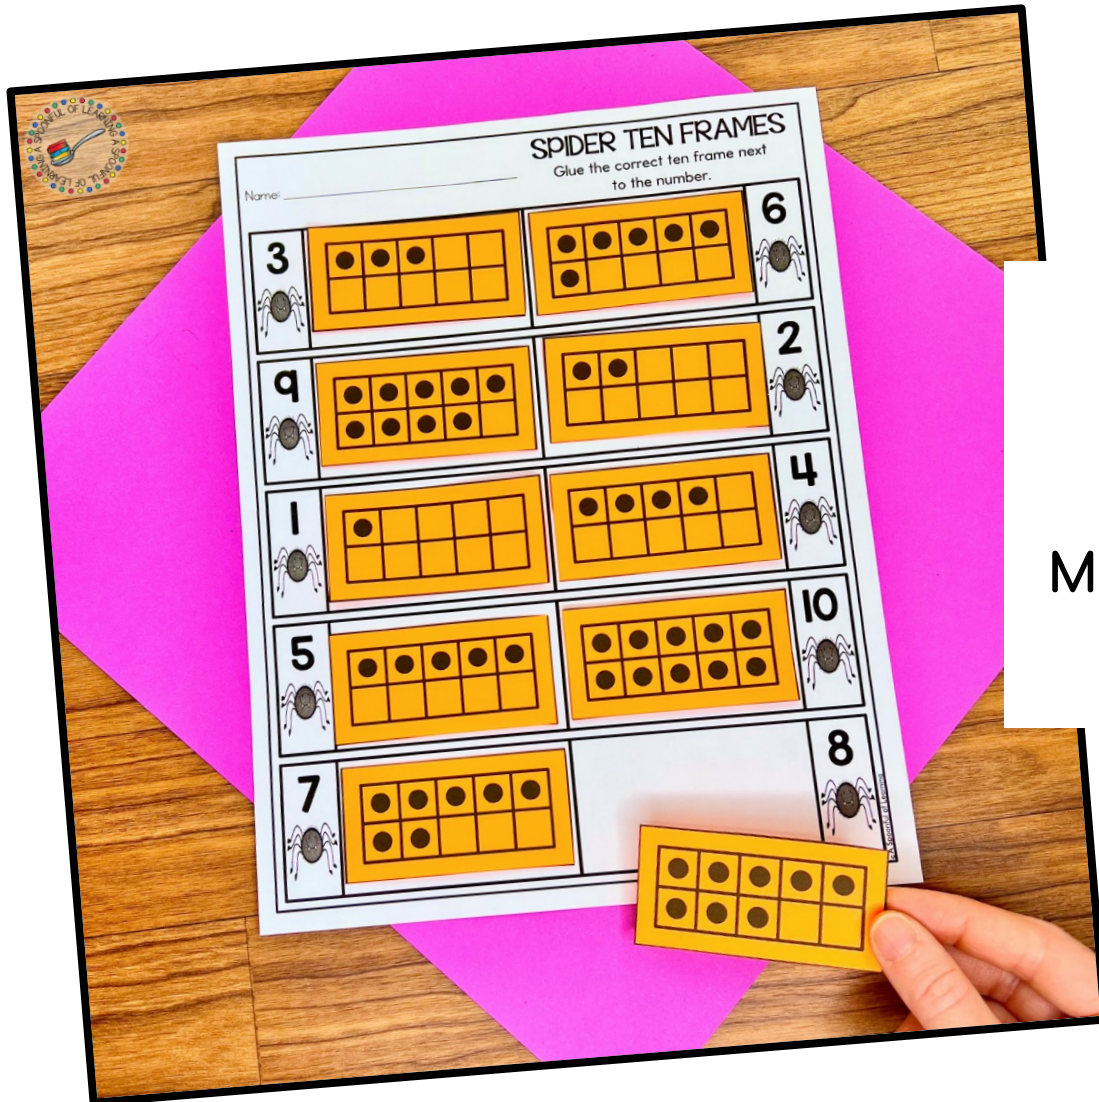

SPIDER SHAKE, SPILL, & COUNT

Shake and spill the spider rings onto the web. Count how many landed on the web and show the matching number.

SPIDERS UNIT

What's included?

SPIDER TEN FRAMES

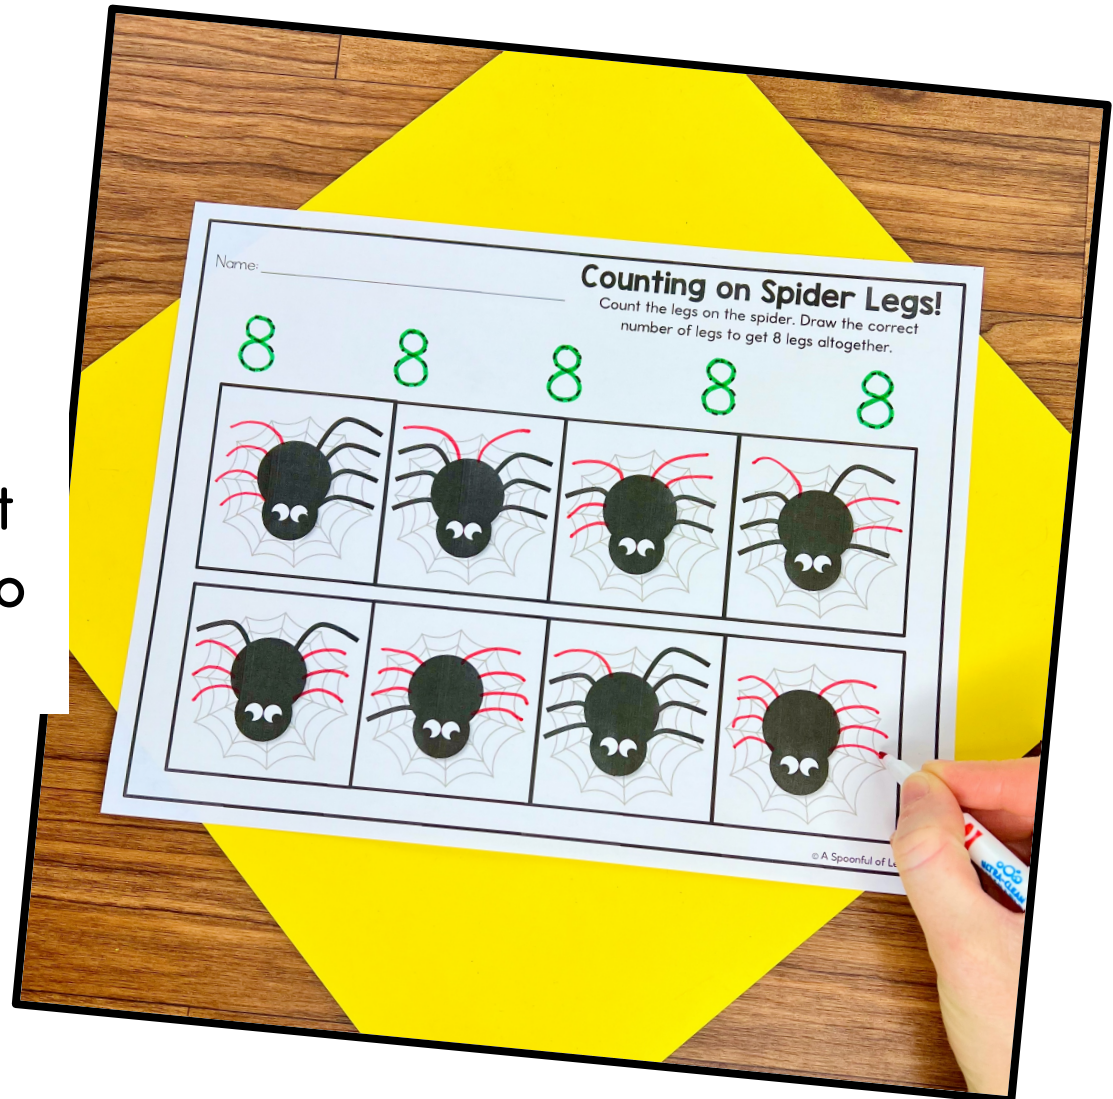

Match the ten frame to the correct number.

SPIDERS UNIT

What's included?

COUNTING ON SPIDER LEGS

Count the legs on the spider.
Count on and add the correct
number of legs to the spider to
show 8 in all.

SPIDERS UNIT

What's included?

SPIDER TREATS

Enjoy making some tasty spider treats to celebrate a fun unit learning all about spiders!

SPIDERS UNIT

TEACHERS REVIEWS

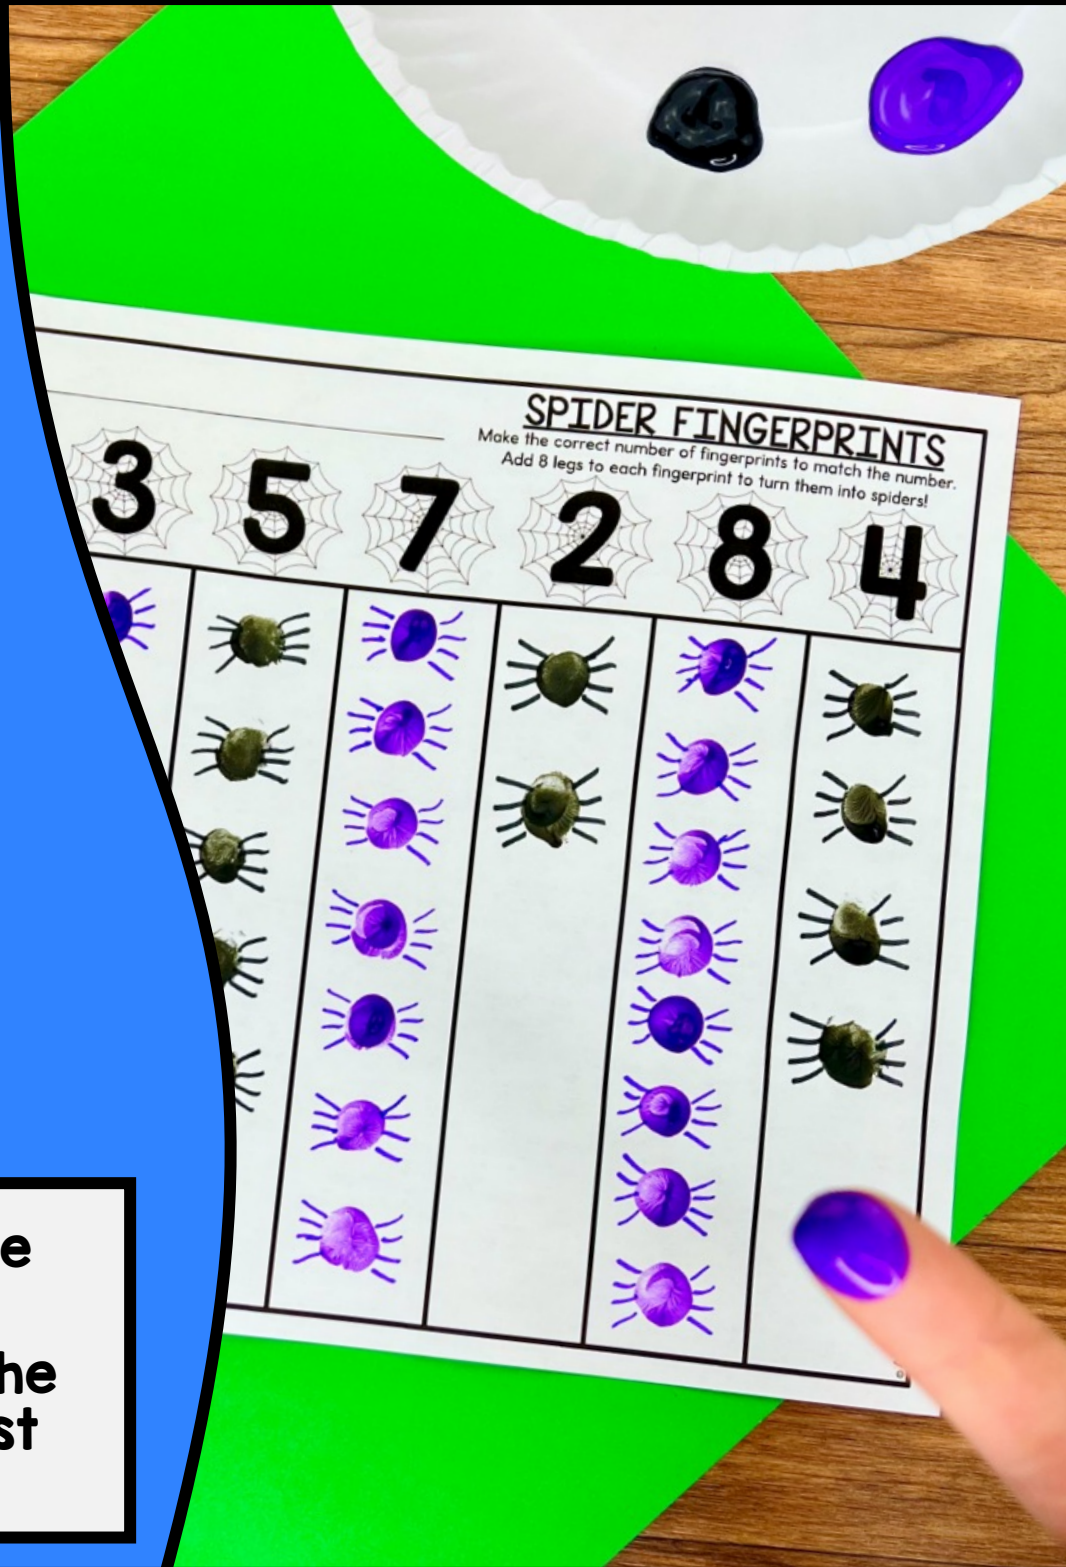

★★★★★ **“One of my favorite purchases ever! I’ve had it for years and everything always turns out so cute! So easy to follow, organized, and I love the plan included!”**

★★★★★ "I used several of the items from this unit for my week-long Spider Unit to go along with my yearly observation. There are anchor charts, writing activities, and math activities. I love this unit and how many options there are."

★★★★★ " One of my favorite units to do in October. So in depth, interactive, fun and engaging for the students, and so easy to use. A must have fall unit!"

WHY USE THIS SPIDERS UNIT?

1. Provides you with **24 activities** as well as a **5-day plan** for you to add these activities into your week. The different options included will allow you to **meet your students needs** and provide you with plenty of activities to keep students excited for more.

2. These activities are full of different math, literacy, and writing skills that will provide a **ton of quality and effective instruction** in an **engaging way**.

3. Students will engage with the content being taught, **make connections, develop vocabulary, comprehension skills, and draw from previous experiences and knowledge.**

BATS UNIT

What's included?

STELLALUNA STORY ELEMENTS BOOK

Dive deep into this adorable story by creating an interactive book with the different story elements. Focus on the characters, setting, problem/solution, beginning, middle, end, and favorite part of the story.

BATS UNIT

What's included?

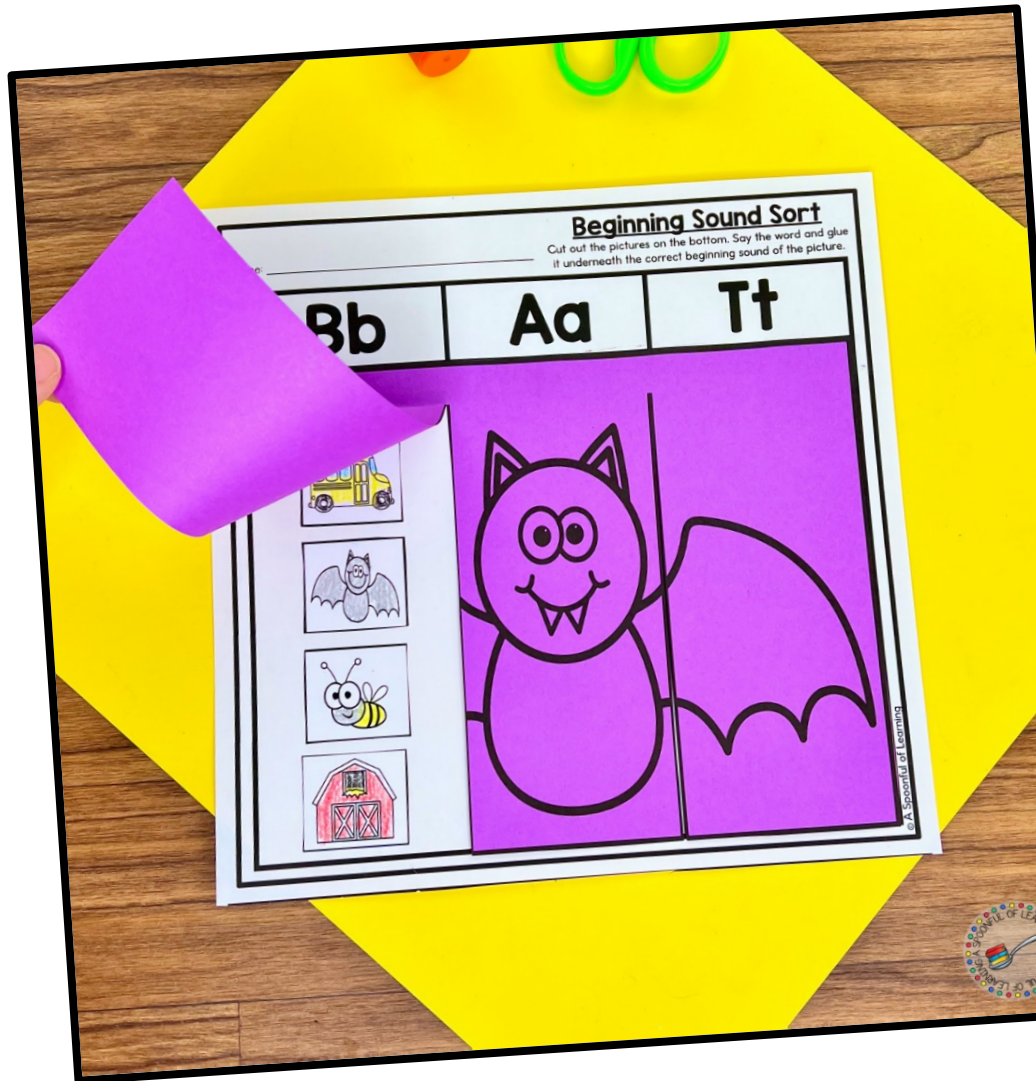

BATS INFO. CRAFT

Show your new learning about bats by writing different facts. Also, practice labeling the different parts of a bat. Put the writing pages and diagram together to create a book on a fun bat craft.

BATS UNIT

What's included?

BEGINNING SOUNDS

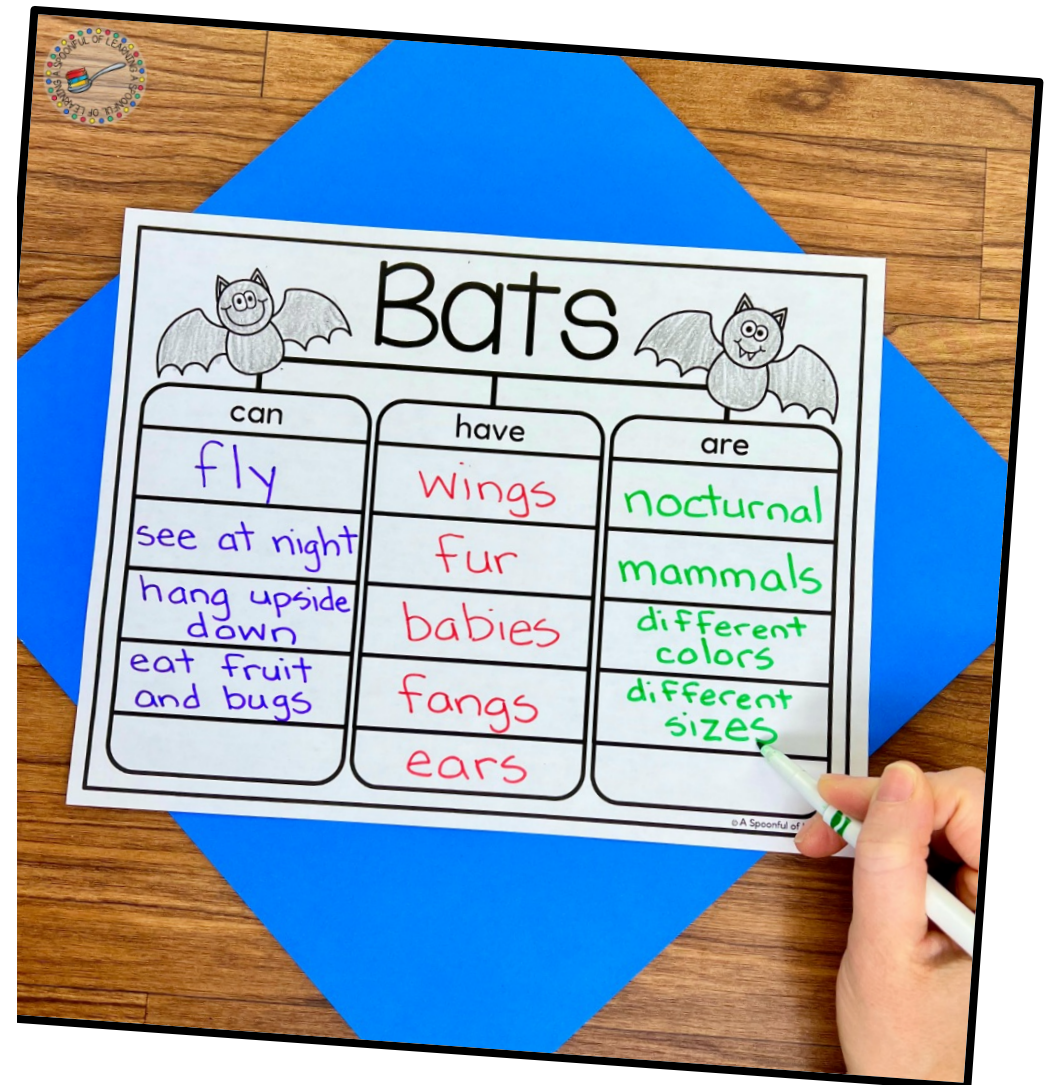

Sort pictures by their beginning sound letter and flip up the bat to see the pictures that were sorted underneath.

BATS UNIT

What's included?

BATS INFO. WRITING CHART

Show the new knowledge learned from bats by filling in a chart with what bats can do, have, and are.

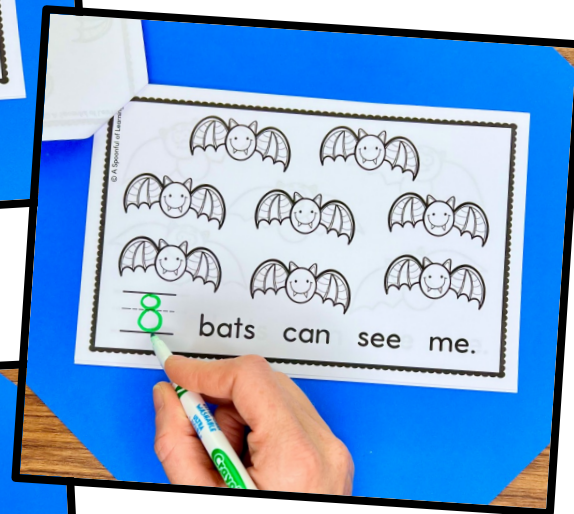

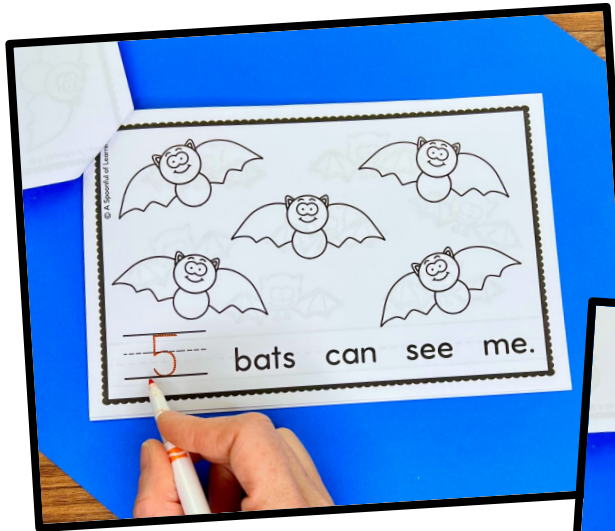

BATS UNIT

What's included?

COUNTING BATS READER

Practice counting with this reader by counting how many bats are on each page. 3 options included: trace the number to make the sentence complete, count and write the number to make the sentence complete, or write a sentence.

BATS UNIT

What's included?

BATS & BIRDS VENN DIAGRAM

Fill in the Venn diagram to show things that are the same and different between bats and birds.

BATS UNIT

What's included?

BUILDING CVC WORDS

Practice building different CVC words using letters on this adorable bat.

BATS UNIT

What's included?

STELLALUNA STORY ELEMENTS ANCHOR CHART

Dive deep into the story by creating a story elements anchor chart with your class. Determine the title, author, characters, setting, problem/solution, beginning, middle, and end of the story.

Title Stellaluna

Author Janell Cannon

Characters

- Stellaluna
- Stellaluna's Mother
- Owl
- Mother Bird
- Pip, Fitter, Flap

Setting the forest

Problem Stellaluna lost her mother.

Solution Stellaluna flew away from the birds and found her mother.

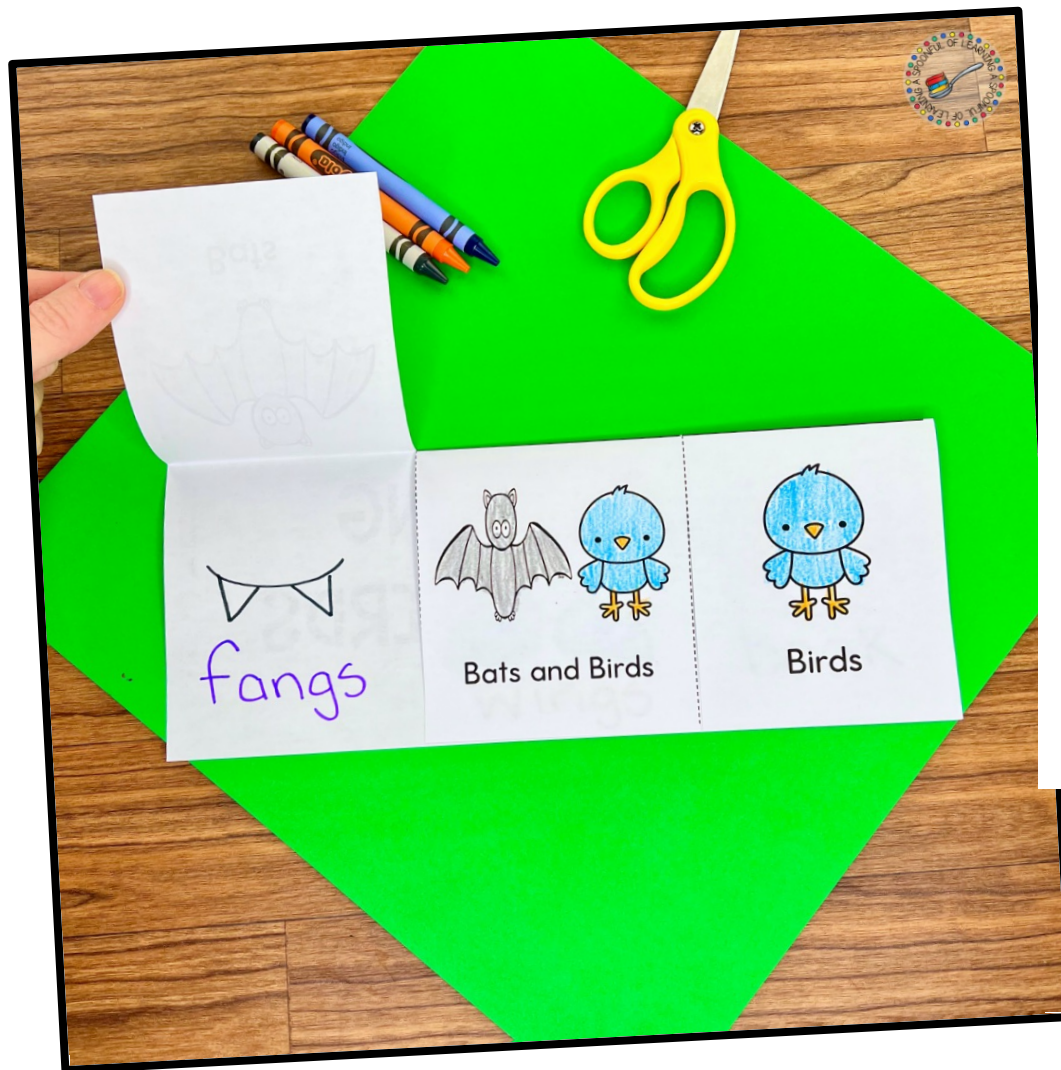

Beginning Stellaluna lost her mother.

Middle Stellaluna lived with birds.

End Stellaluna flew away and mother found her.

BATS UNIT

What's included?

COMPARING BATS AND BIRDS FLIPBOOK

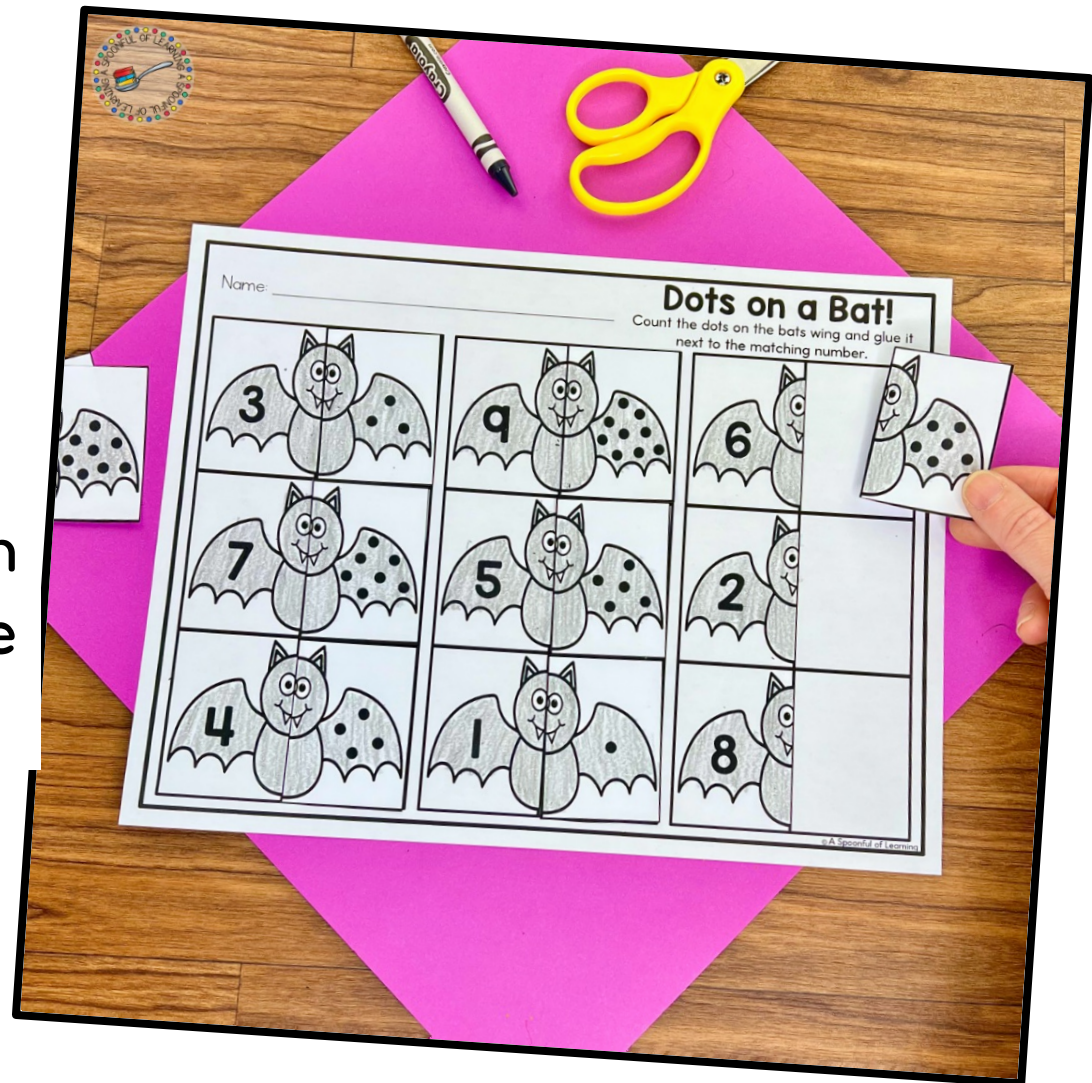

Create a flip booking show what is different and the same between bats and birds.

BATS UNIT

What's included?

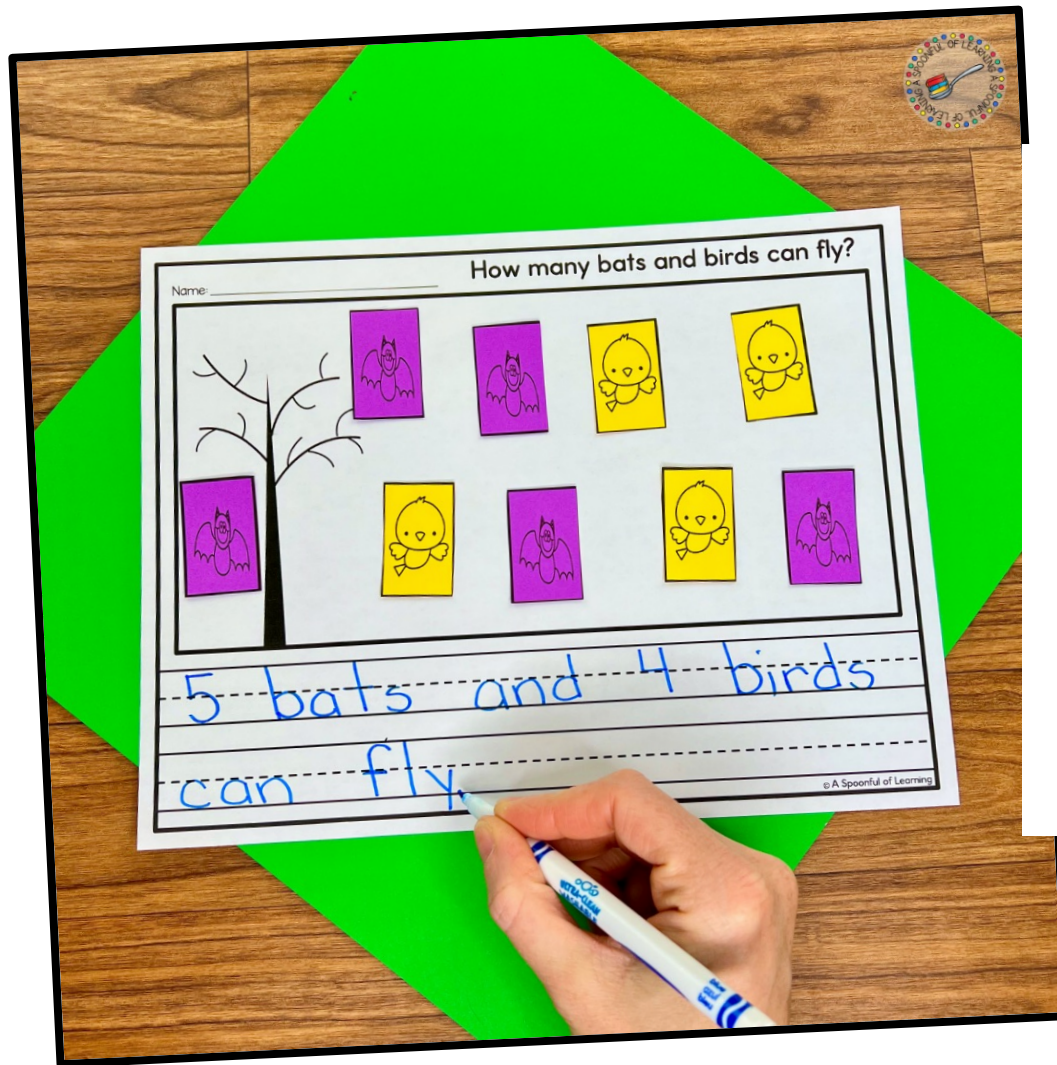

BAT WINGS MATCH

Count the dots on the wing and match it to the wing with the correct number to create a bat.

BATS UNIT

What's included?

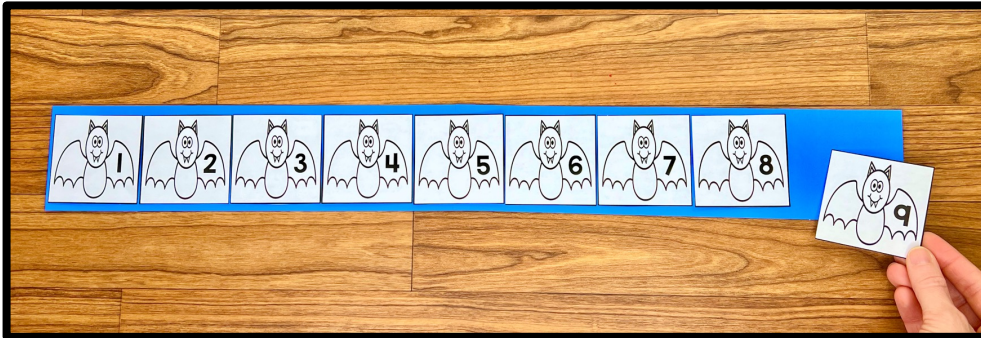

BATS & BIRDS MATH WRITING

Choose however many bats and birds to glue onto the page. Write a sentence about how many bats and birds there are.

BATS UNIT

What's included?

BATS NUMBER ORDER

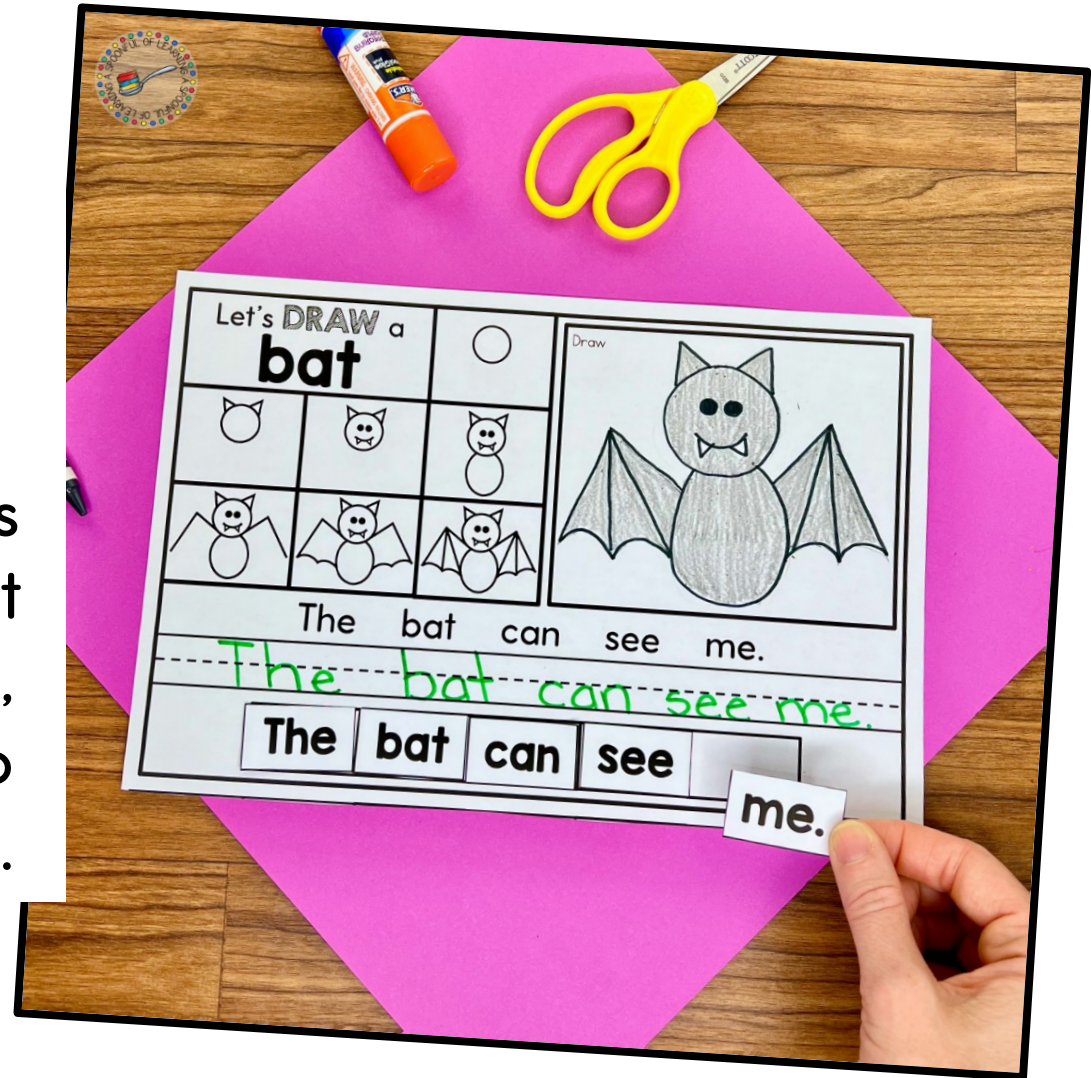

Place the bats in order from 1-9 or 1-10. Turn the strip of bats into a fun headband to wear for the day!

BATS UNIT

What's included?

BAT DIRECTED DRAWING

Use the step-by-step pictures to draw a bat. Read the short sentence, write the sentence, and unscramble the words to make the complete sentence.

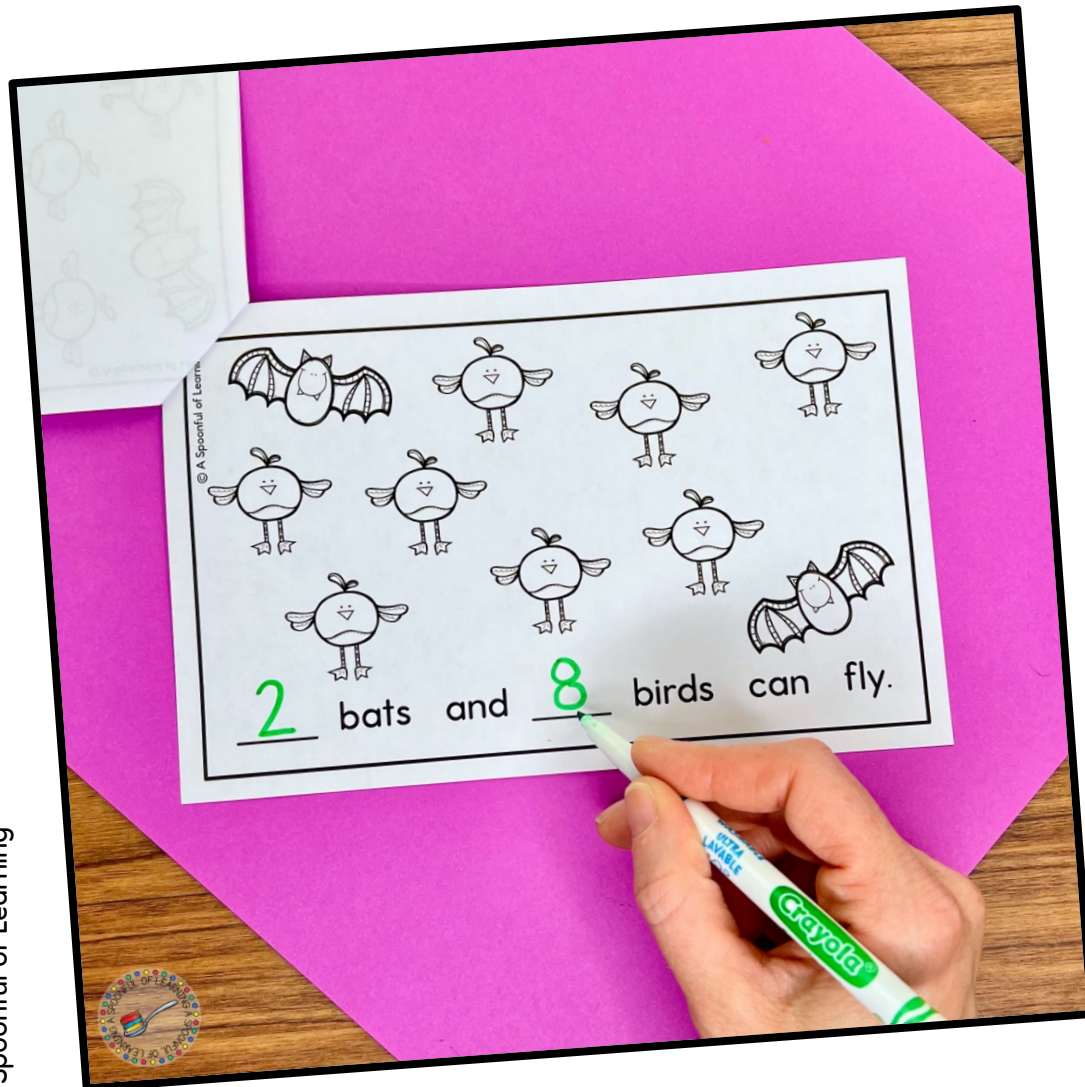

BATS UNIT

What's included?

BATS & BIRDS COUNTING READER

Count how many bats and birds are on the page. Write how many there are on the lines to make the sentence complete.

BATS UNIT

What's included?

BAT HAT

Celebrate all the new learning about bats with a cute bat hat.

BATS UNIT

[illegible]

PUMPKINS UNIT AT-A-GLANCE

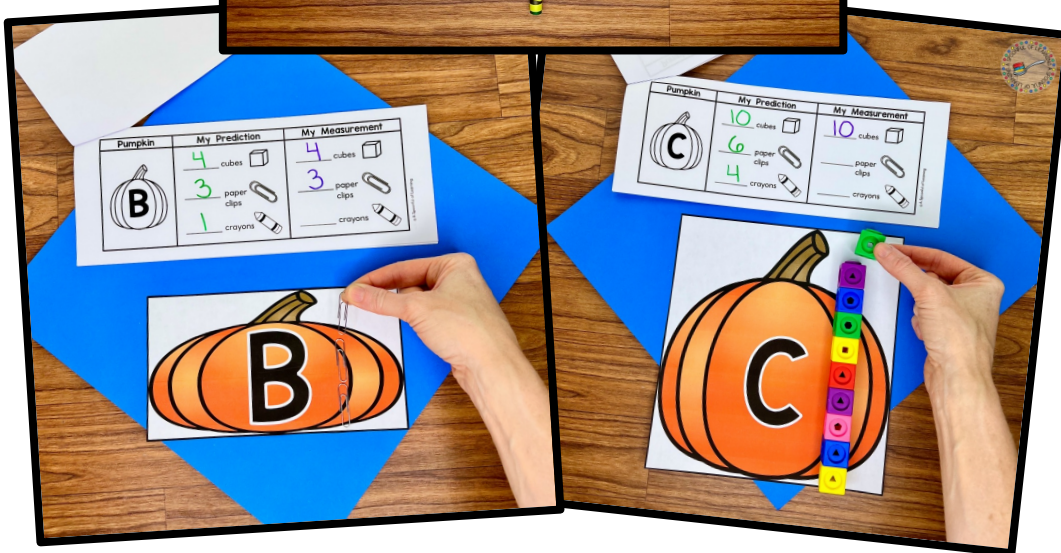

A 5-day plan that allows you to see how you can space out all of the activities that are included. I also share my favorite books for this unit.

PUMPKINS UNIT

What's included?

MEASURING DIFFERENT PUMPKINS

Make a prediction on how many classroom items tall different sized pumpkins are. Then, practice measuring to find the actual length.

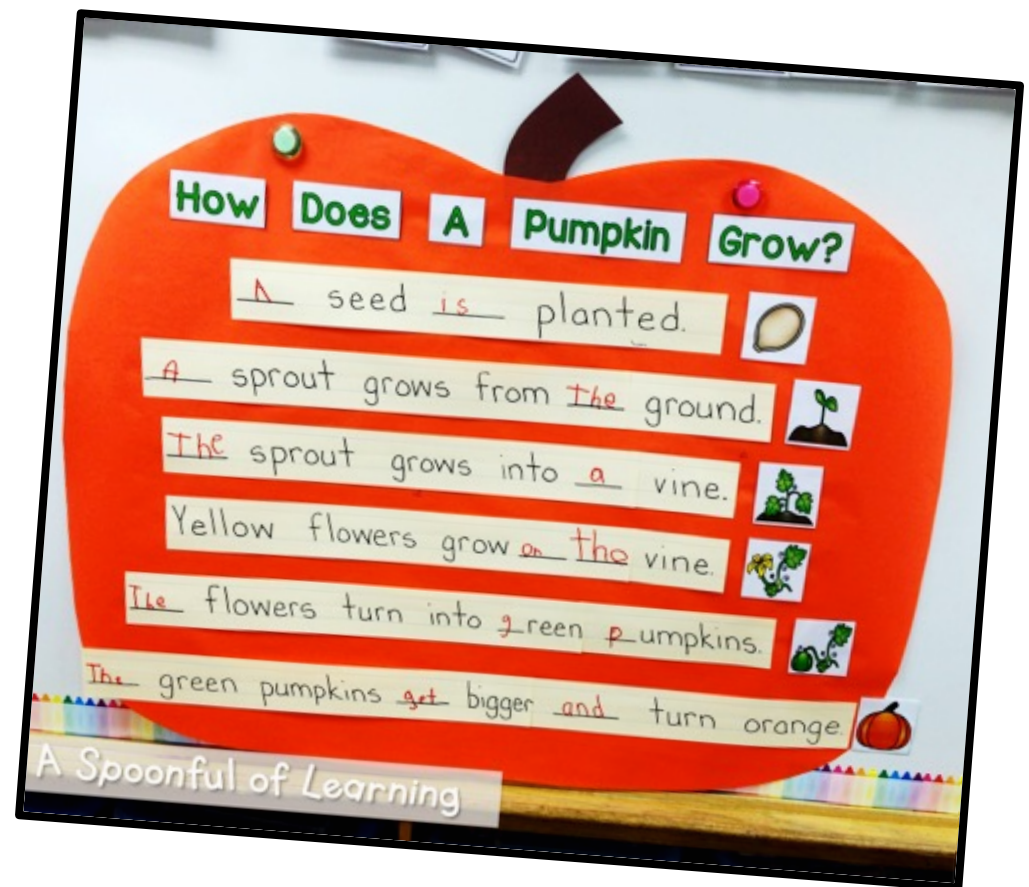

PUMPKINS UNIT

What's included?

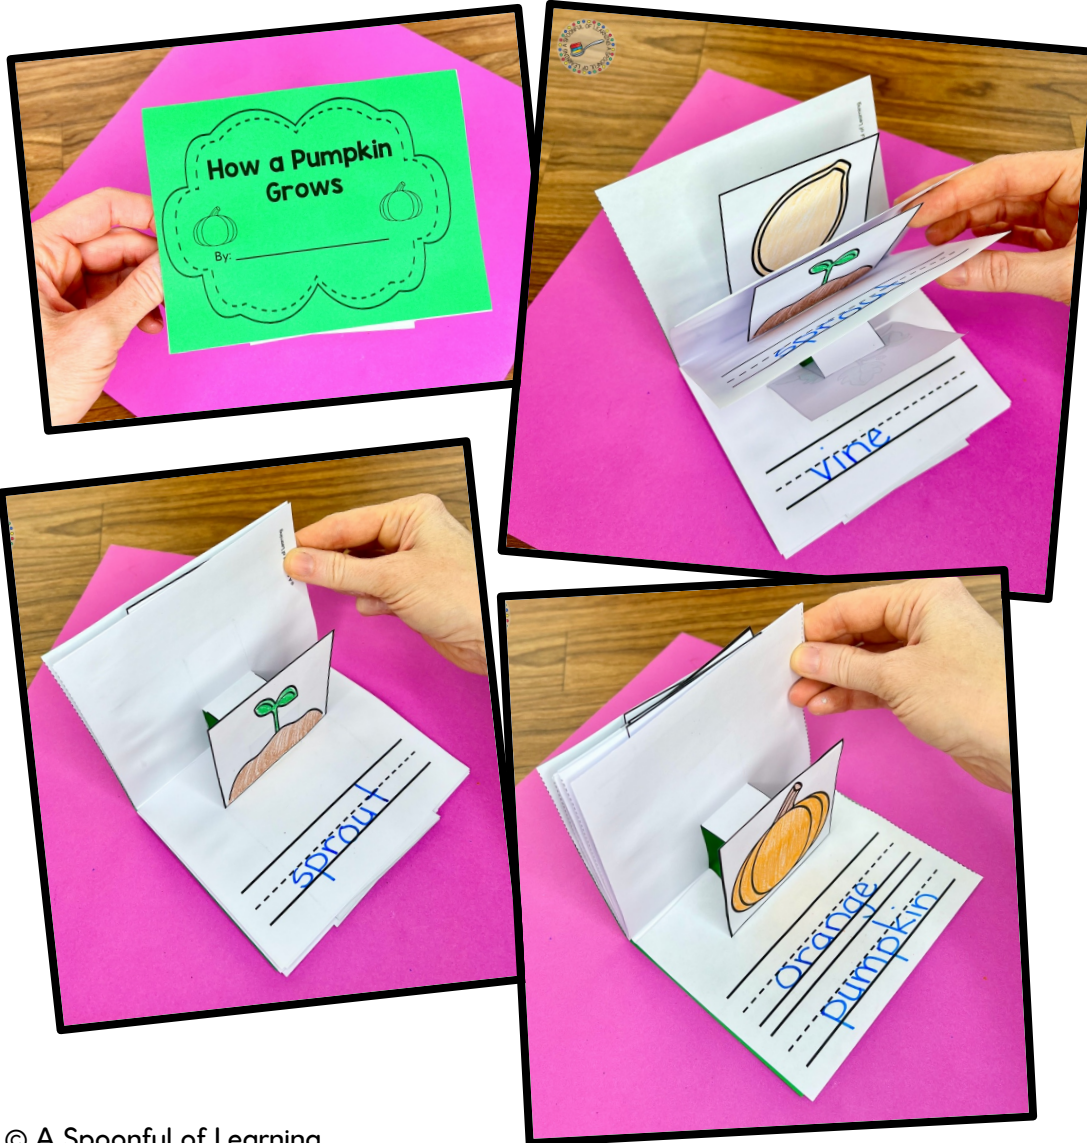

LIFE CYCLE OF A PUMPKIN ANCHOR CHART

An anchor chart to make together as a class to show the different stages of how a pumpkin grows. You can include interactive, shared, or modeled writing with this anchor chart.

PUMPKINS UNIT

What's included?

PUMPKIN LIFE CYCLE POP UP BOOK

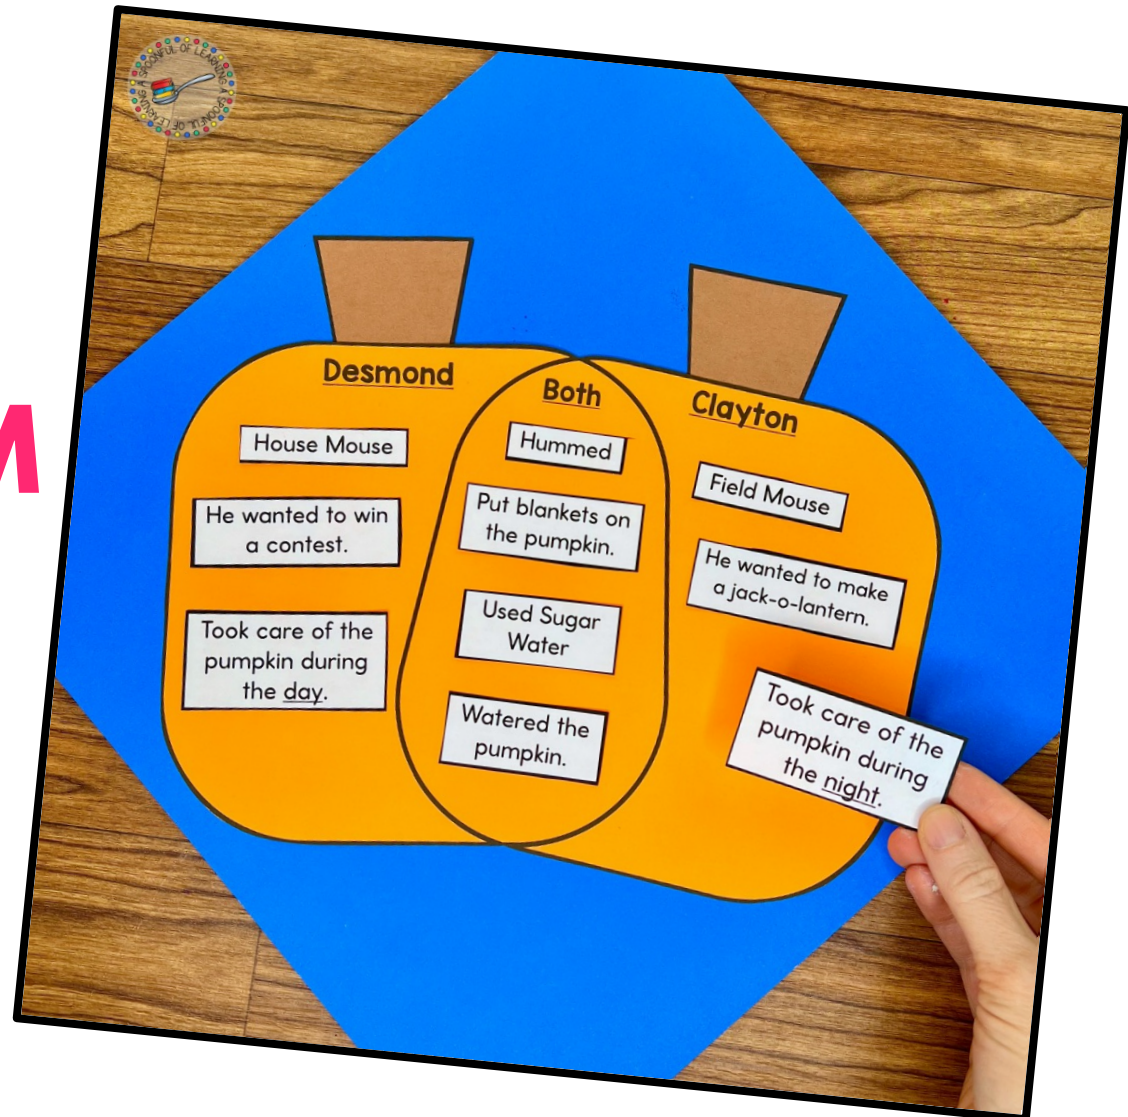

Make a pop-up book that shows the different stages of how a pumpkin grows.

PUMPKINS UNIT

What's included?

COMPARING CHARACTERS VENN DIAGRAM

Fill in this pumpkin shaped Venn diagram to compare two characters from a story.

PUMPKINS UNIT

What's included?

COMPARING CHARACTERS VENN DIAGRAM ANCHOR CHART

Work together as a class to fill in a Venn diagram anchor chart comparing two characters from a story.

PUMPKINS UNIT

What's included?

MEASURING STUDENTS

Work together to measure the height of a friend in the class. Then, each student gets to fill in a data sheet to show how many pumpkins tall they are.

A worksheet titled "Pumpkin Student Measuring" is shown. It features a drawing of a girl with blonde hair, a purple shirt with a heart, and pink pants. To the right of the drawing is a vertical scale of pumpkins numbered 1 to 11. The worksheet includes three sections for student input: "I can draw myself next to how many pumpkins tall I am." (with a line for drawing), "I can write about how tall I am." (with "I am 9 pumpkins tall." written in red), and "I can compare myself to a friend." (with "I am taller than Alex" and "I am shorter than Jaxon" written in red). A hand is visible at the bottom right, writing on the worksheet.

I can draw myself next to how many pumpkins tall I am.

Pumpkin Student Measuring

Name _____

I can write about how tall I am.

I am 9 pumpkins tall.

I can compare myself to a friend.

I am taller than Alex.

I am shorter than Jaxon.

PUMPKINS UNIT

What's included?

PUMPKIN GLYPH

Create a pumpkin glyph where students make a pumpkin craft that is all about them! Lift the pumpkin craft to show a glyph book where students write about each part of their pumpkin glyph. An anchor chart is included too.

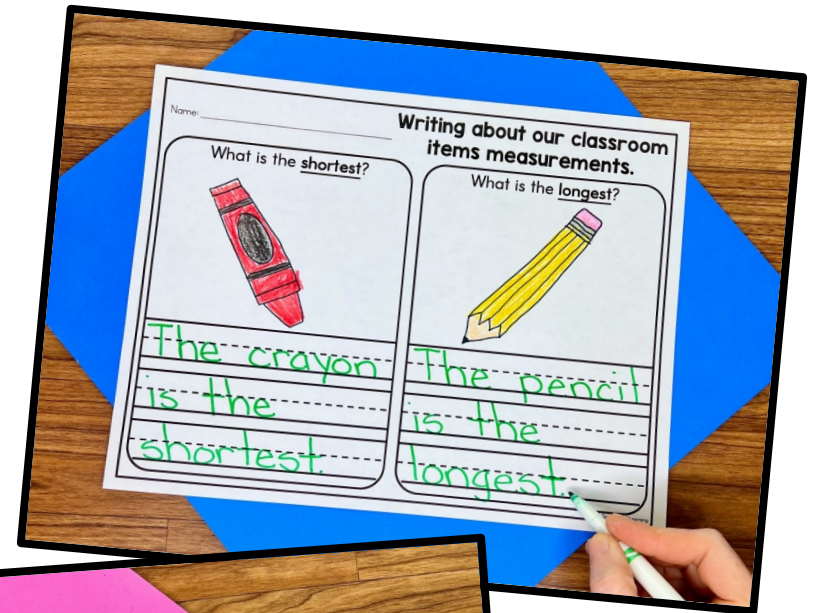

PUMPKINS UNIT

What's included?

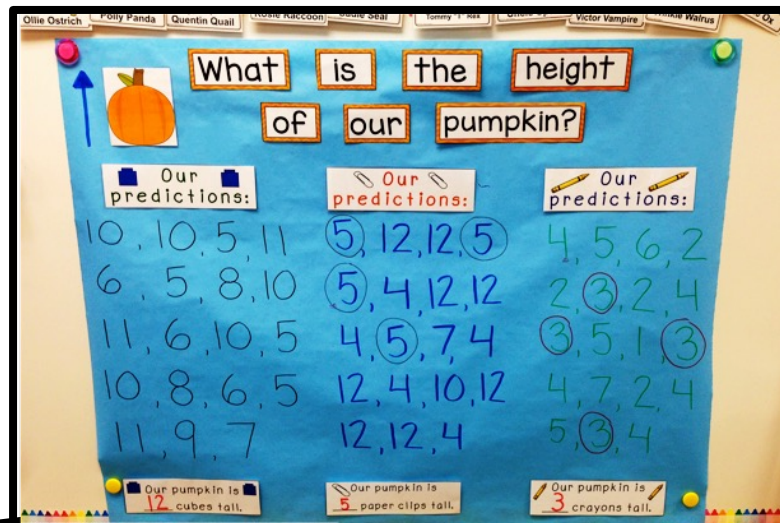

MEASURE CLASSROOM ITEMS

Measure different classroom objects using a small pumpkin manipulative. (erasers, plastic pumpkins, etc.) Write about the longest and shortest classroom items.

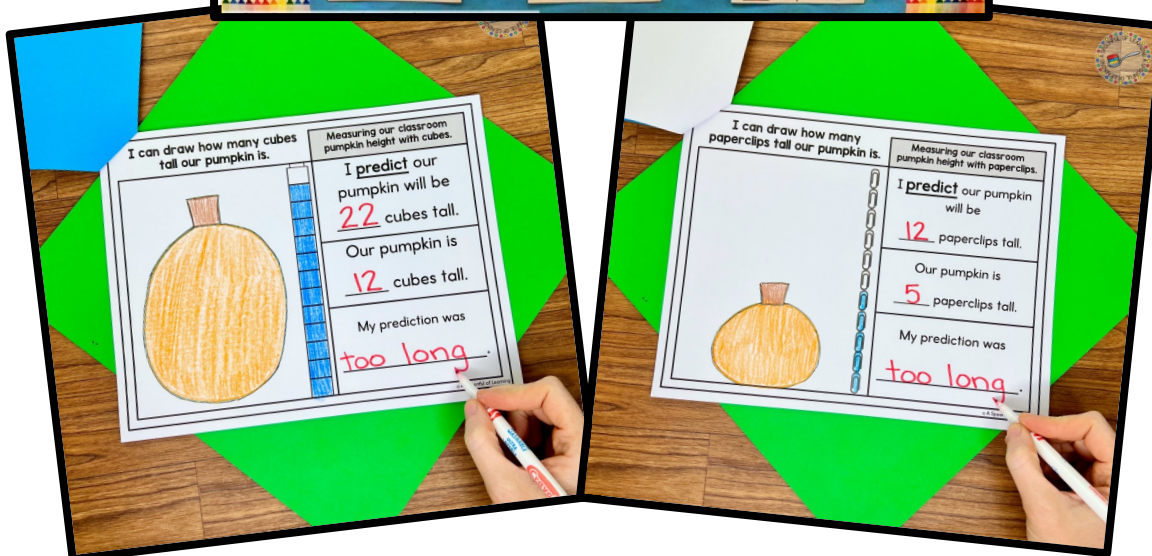

PUMPKINS UNIT

What's included?

MEASURE CLASSROOM PUMPKIN

Predict and measure the length of your classroom pumpkin using counting cubes, paperclips, and crayons. Record the data in a book.

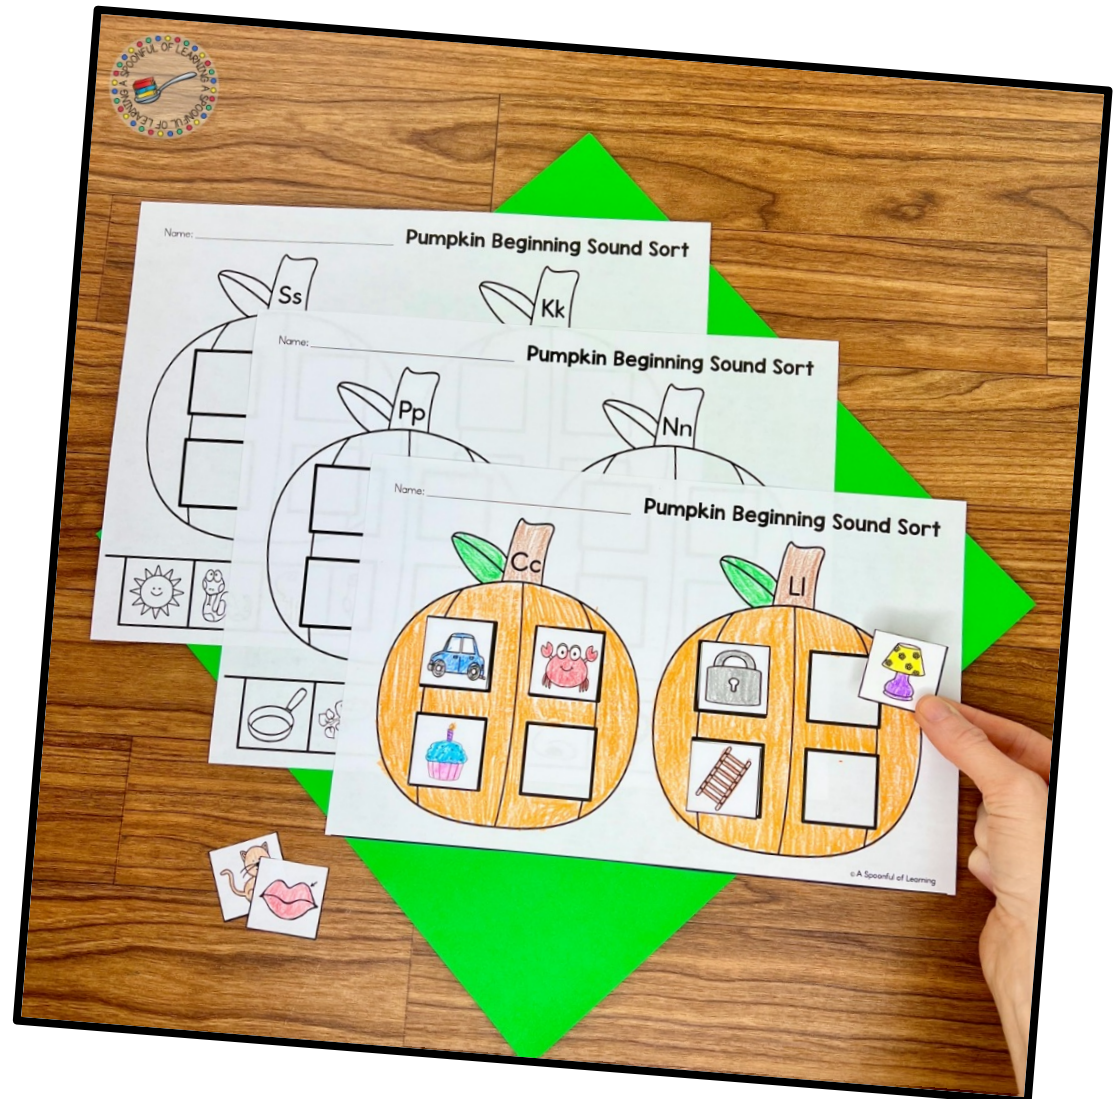

PUMPKINS UNIT

What's included?

BEGINNING SOUNDS

Sort different pictures
onto pumpkins by their
beginning sound letter.
3 different activities to
use or choose from.

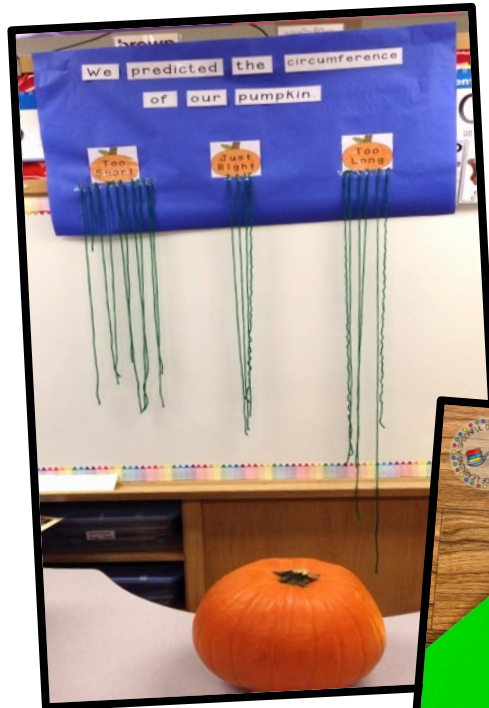

PUMPKINS UNIT

What's included?

CIRCUMFERENCE OF A PUMPKIN

Students get to predict the circumference of a pumpkin with yarn. They will test their prediction, show the results on an anchor chart, and on a recording sheet.

A recording sheet titled "Our Pumpkin Circumference Data". It includes a grid for tallying data and a section for writing about the data. The grid has columns for "Too Long", "Too Short", and "Just Right", and rows for numbers 1 through 13. The "I can tally our data." section has boxes for "Too Long", "Too Short", and "Just Right". The "I can write about our data." section has lines for writing the number of students who predicted too long, too short, and just right.

	Too Long	Too Short	Just Right
13			
12			
11			
10			
9			
8			
7			
6			
5			
4			
3			
2			
1			

I can tally our data.

Too Long	Too Short	Just Right
1	1	1

I can write about our data.

6 students prediction was too long.

10 students prediction was too short.

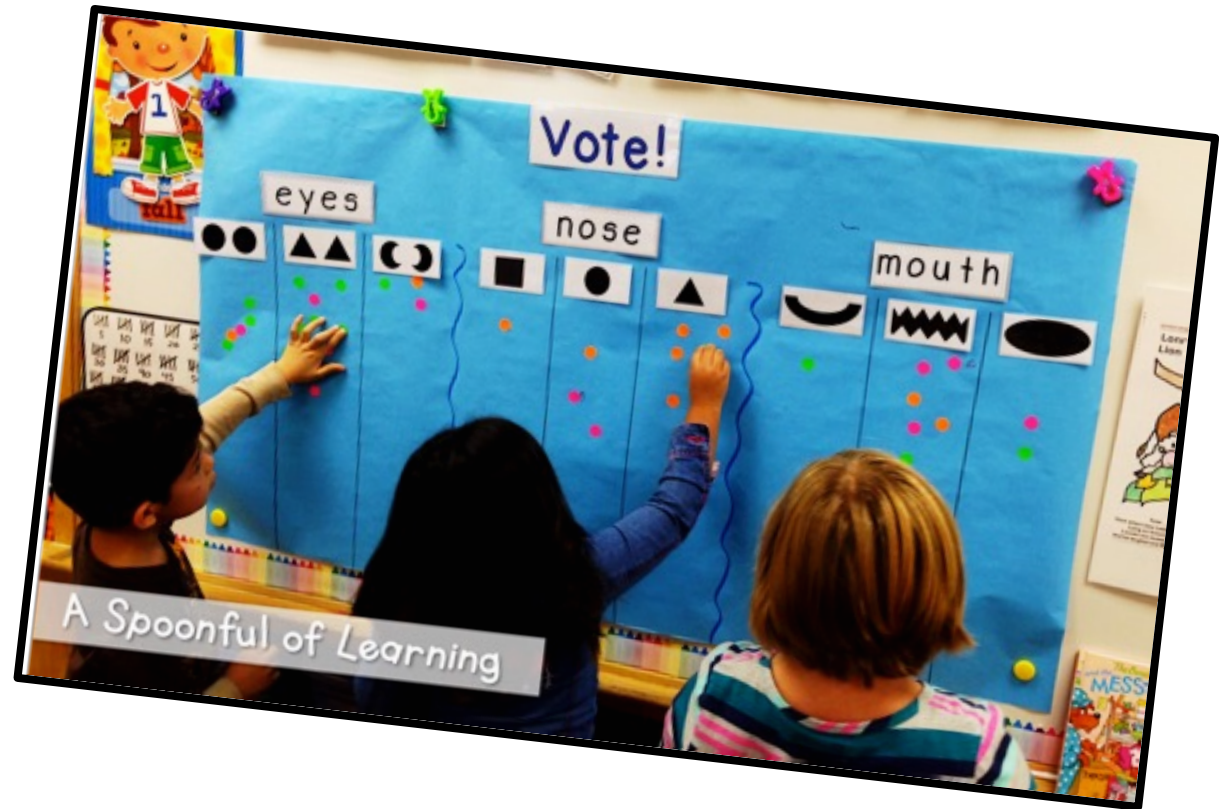

5 students prediction was just right.

PUMPKINS UNIT

What's included?

PUMPKIN CARVING VOTING

Students get to vote for how they want the classroom pumpkin carved into a jack-o-lantern. Each part with the most votes will be how the pumpkin is carved.

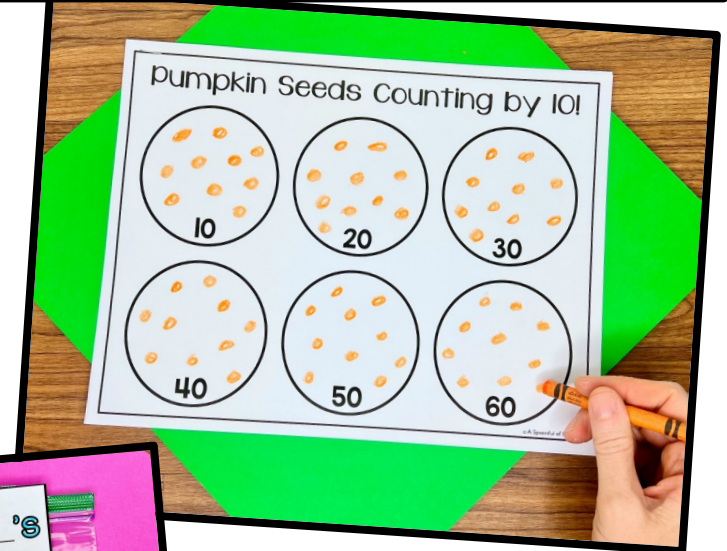

PUMPKINS UNIT

What's included?

PUMPKIN SEEDS

Predict and count how many pumpkin seeds are inside of the classroom pumpkin. Record the results. Surprise your students by letting them take some pumpkin seeds home!

PUMPKINS UNIT

What's included?

STORY REFLECTION WRITING

After reading a story, students get to write about what they would do if they had the biggest pumpkin ever.

PUMPKINS UNIT

What's included?

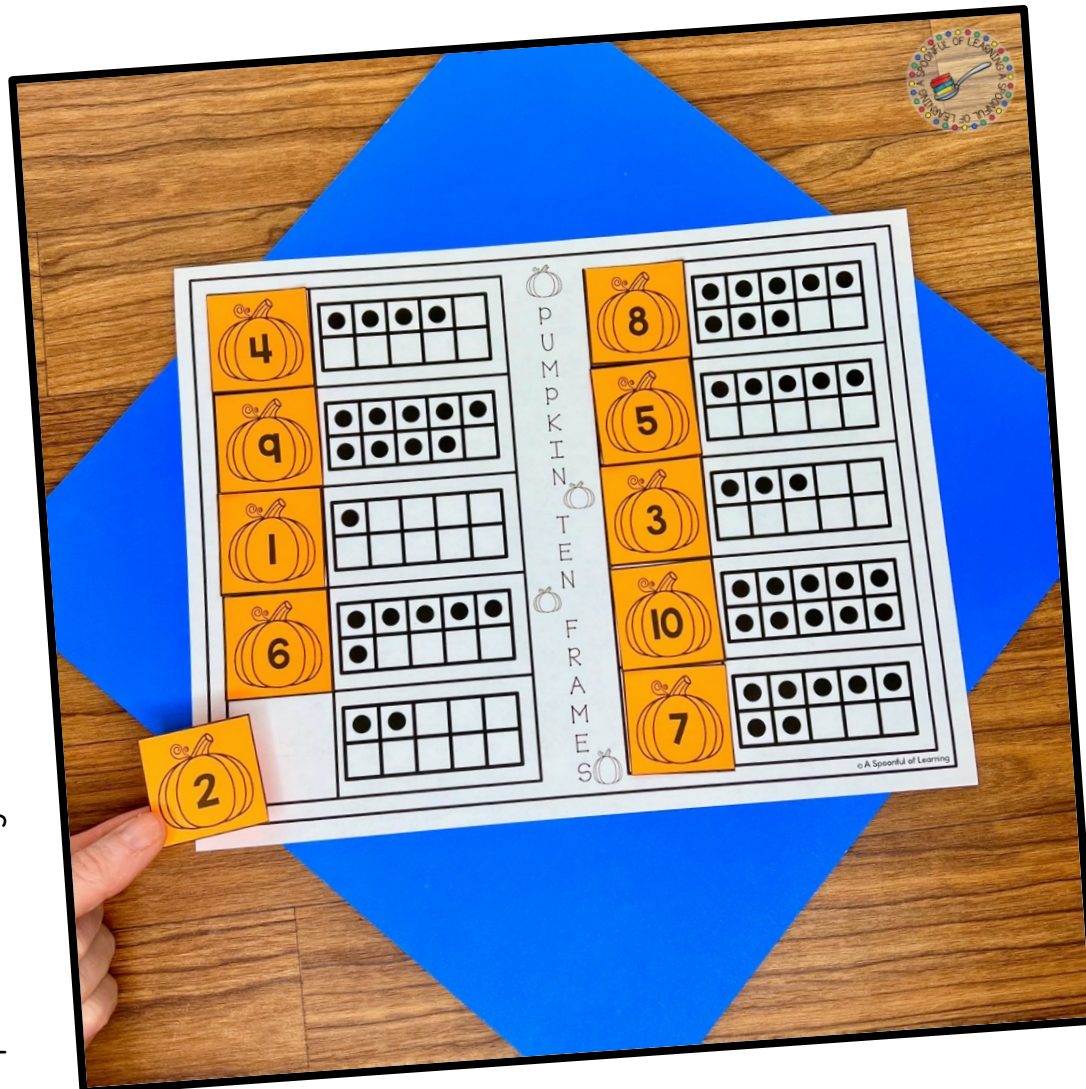

WEIGHT SORTING

Sort different objects by whether they weigh more or less than your classroom pumpkin. You can even test out the results in class!

PUMPKINS UNIT

What's included?

TEN FRAMES

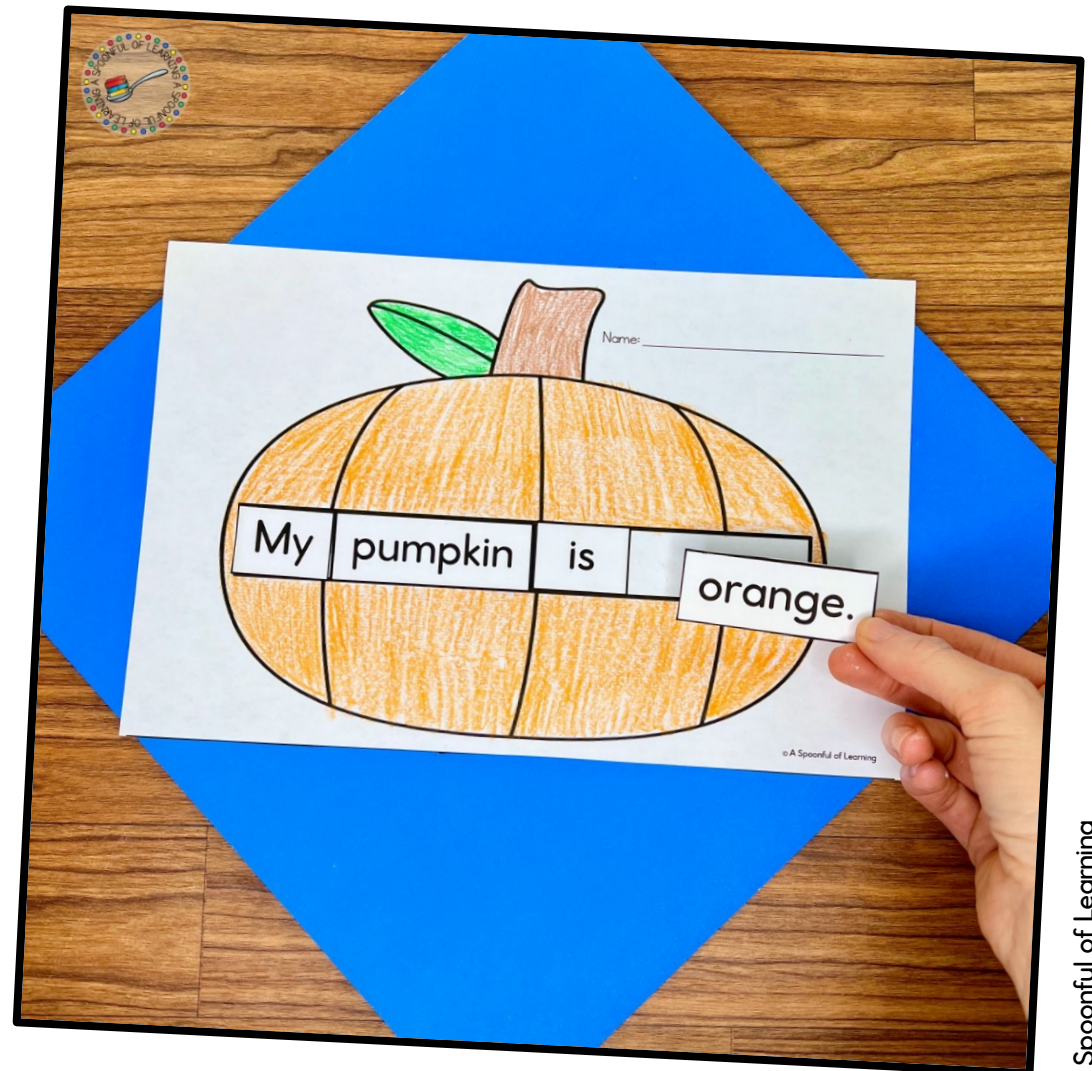

Match the numbers to
the correct ten
frames.

PUMPKINS UNIT

What's included?

SENTENCE SCRAMBLE

Unscramble the words to make a complete sentence on the pumpkin.

PUMPKINS UNIT

What **SKILLS** are covered?

Fiction & Nonfiction

Measurement

Writing

Comparing

Venn Diagram

Length and Weight

Beginning Sounds

Counting by 10's

Simple Sentences

Graph & Data

Sorting

Making Predictions
