PATTERNS

What's included?

MINI PATTERNS BOOKS:

AB, ABC, AAB, & ABB

4 mini books included.
Each book focuses on a
specific pattern where
students work on
different activities on
each page.

PATTERNS

What's included?

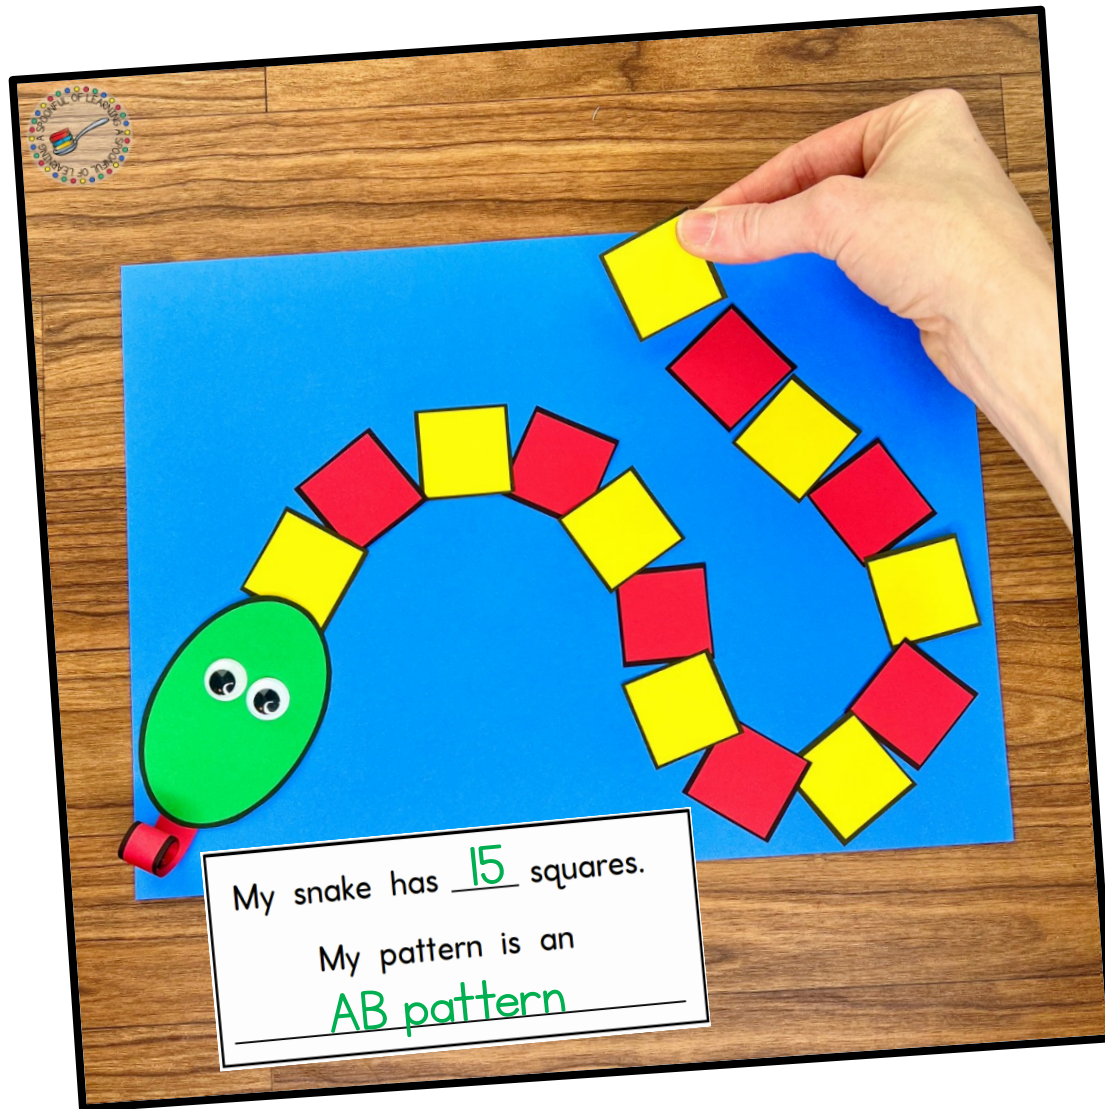

POCKET CHART ACTIVITIES

Introduce different types of patterns with these shape cards that are perfect for making different patterns. Also, play a game with the class to practice labeling and continuing the patterns.

PATTERNS

What's included?

PATTERN SNAKE CRAFT

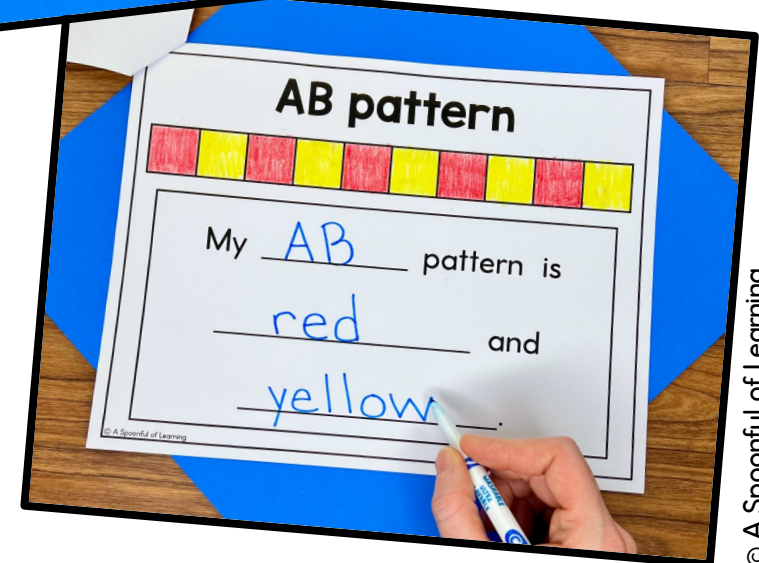

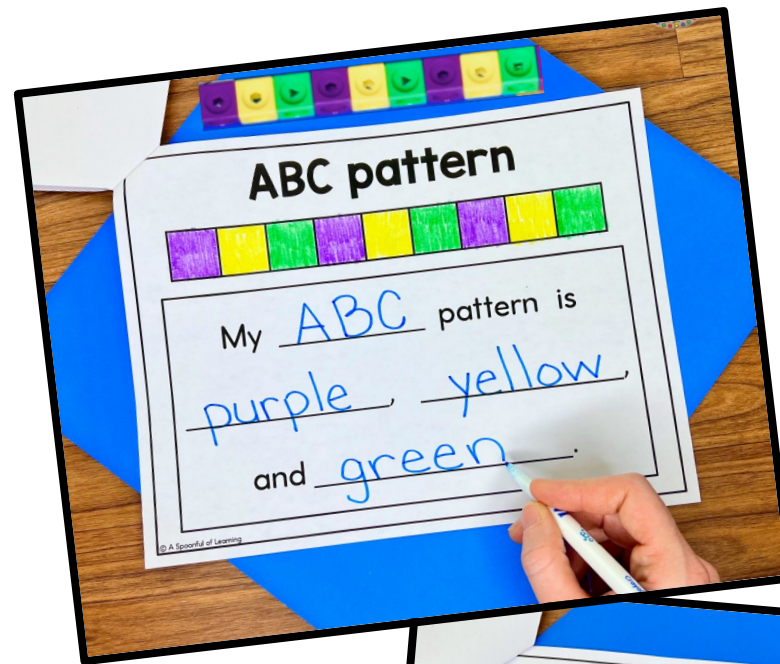

Build a snake craft and make the body of the snake a pattern of your choice. Add some writing about the pattern.

PATTERNS

What's included?

MY PATTERNS BOOK

Make a pattern using connecting cubes. Color the blocks to show the pattern you made and fill in the blanks to show your understanding.

PATTERNS

What's included?

PATTERN BRACELETS

Create your very own pattern bead bracelet.

Easy to make and students can do the entire bracelet from start to finish on their own! An activity students love to make, remember, and love to show off for weeks!

PATTERNS

What's included?

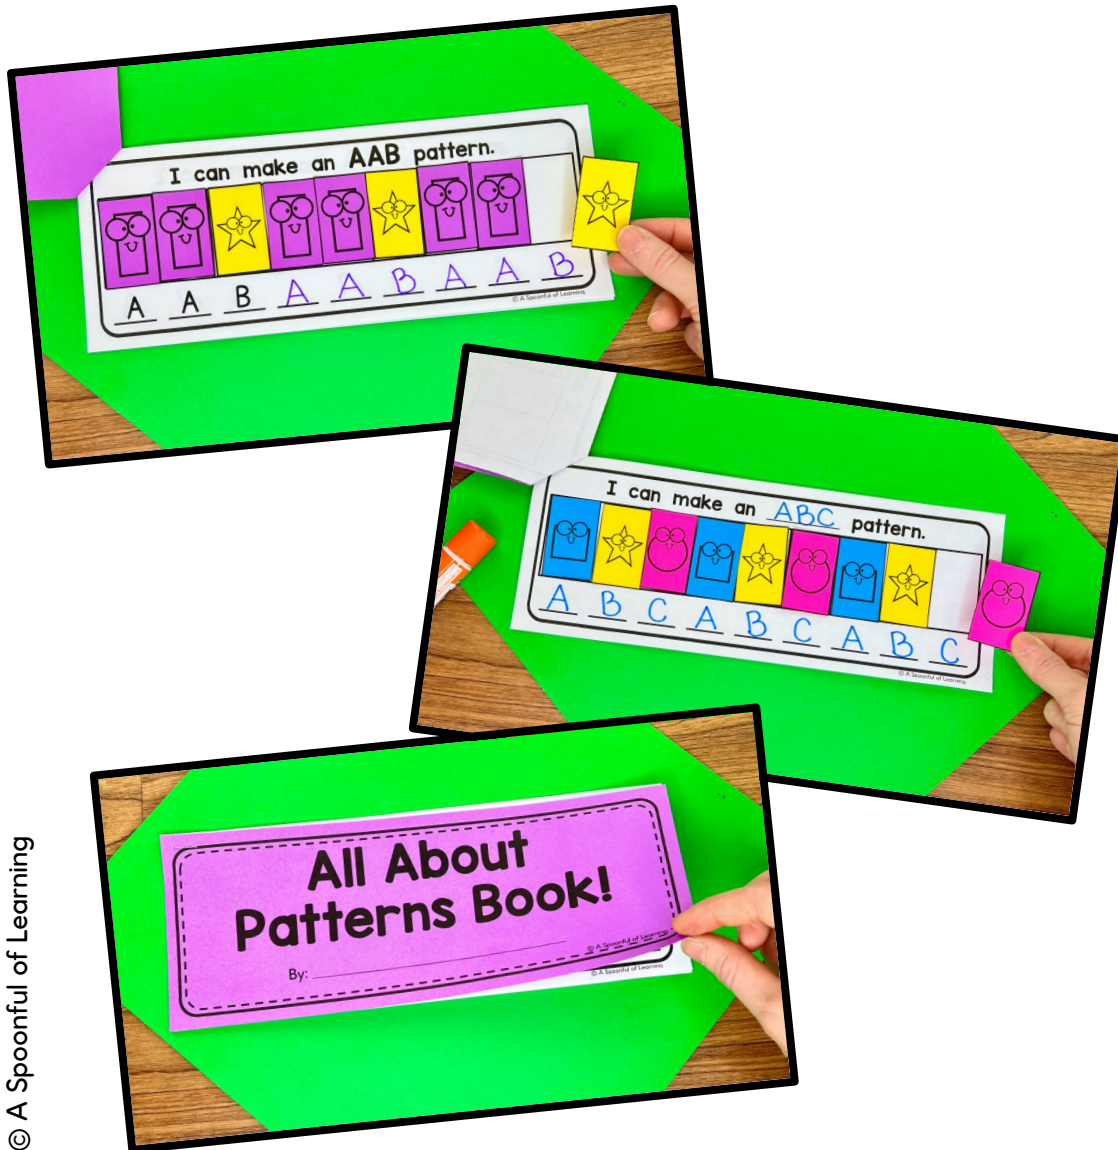

ANCHOR CHART

Work together to build this anchor chart and display all of the different patterns learned. This anchor chart is also great for students to refer to.

PATTERNS

What's included?

ALL ABOUT PATTERNS MINI BOOK

Students create different patterns with shape pictures and label the pattern they created. All of the patterns they have learned are included in this mini book to show what they have learned.

PATTERNS

What's included?

PATTERN GAMES

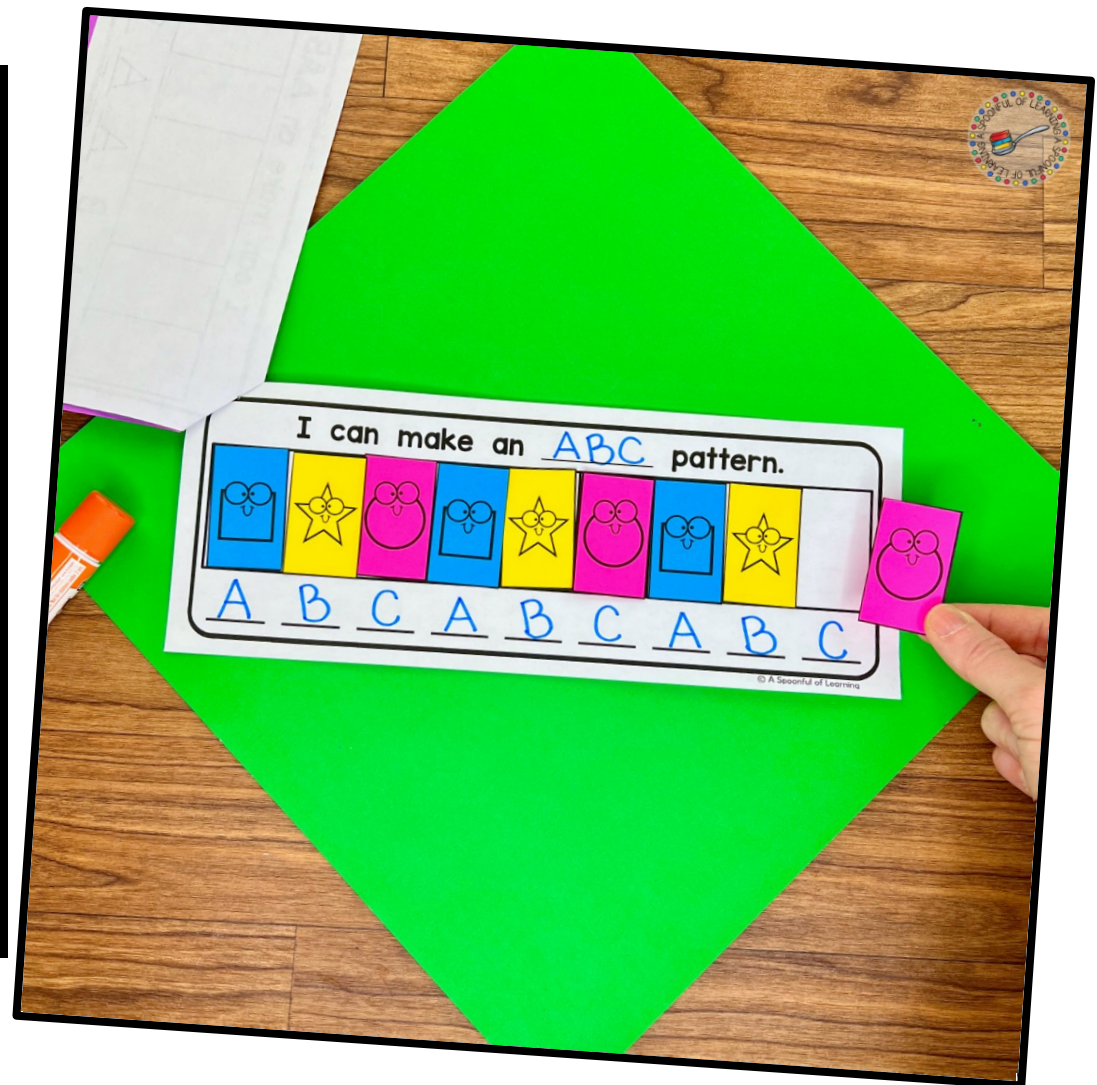

Games that you can play with a partner and with the entire class. They are engaging, hands-on, and so much fun while mastering those patterns!

PATTERNS

Perfect for...

- Whole Group
- Small Groups
- Centers
- Independent Work

TEACHERS REVIEWS

"I absolutely LOVE this unit!! It has so many interactive activities for kindergartners. Thank you so much for making a great unit that is so hands on!"

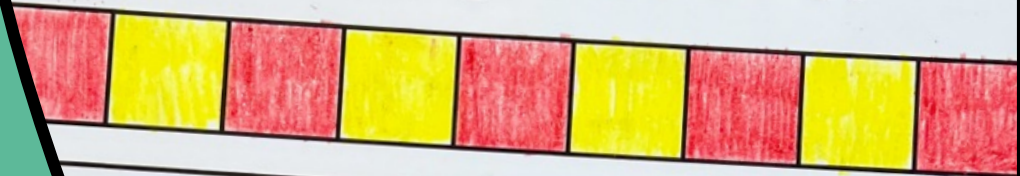

"This is my favorite resource to date! Such great activity ideas really had all my students engaged. The students especially enjoyed making snake patterns and playing the pattern musical chairs. Thank you so much for this wonderful resource!!

" So many great resources! I even used parts for my observation. Kids loved it and I did too as it is very comprehensive. Thank you!"

AB pattern

My AB pattern is

red and

yellow.
